We note from your response to our prior comment one, that you believe that based on the terms of the agreement with the customer, it is appropriate to recognize revenue from the completion of discharge of the vessel's previous cargo to the completion of discharge of the current cargo. Please revise your revenue recognition policy in the notes the financial statements to include a disclosure that indicates that "based on the terms of the customer agreement, a voyage is deemed to commence upon the completion of discharge of the vessel's previous cargo and is deemed to end upon the completion of discharge of the current cargo."

You may contact Claire Erlanger at (202) 551-3301 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3813 with any other questions.

Sincerely,

Linda Cvrkel
Branch Chief
