However, we do not believe the revisions made to the registration statement were fully responsive to our prior comment. As previously requested, please revise your disclosure to explain why you believe the non-GAAP measure “Adjusted EBITDA, excluding LIFO” provides useful information to investors and to the extent material disclose the additional purposes if any for the Company’s management uses this non-GAAP measure. Your current disclosures only provide this information for the non-GAAP measures “EBITDA” and “Adjusted EBITDA”.

Risk Factors, page 17

6. Please add risk factor disclosure to discuss risks associated with Platinum’s board nomination rights pursuant to the Investor Rights Agreement.

Use of Proceeds, page 31

8. We note your response to previous comment 21. Once the Company determines the expected payments it intends to make using the offering proceeds, please revise the pro forma table of contractual obligations to give effect to the use of offering proceeds as well as any drawdowns on the Credit Facility that will be made to fund the termination payment to be made to Platinum.

Report of Independent Registered Public Accounting Firm, page F-2

9. We note your response to our prior comment 62, and reissue the comment. Prior to the planned effectiveness of the Company’s Form S-1 registration statement, please remove the restrictive legends included on the report and the consent of the independent registered public accounting firm.

Note 20. Subsequent Events, page F-41

10. We note your response to our prior comment 27 and reissue the comment. Once the date and terms of the stock split have been determined, please revise the historical financial statements and related disclosures throughout the registration statement to give retroactive effect to the stock split.
