Registration Statement on Form S-1

Management's Discussion and Analysis of Financial Condition and Results of Operations
Revenue Impact, page 89

1. We note that you include preliminary estimates of Gross Merchandise Value and Revenue for the fiscal period ended February 28, 2021, but you do not provide estimates for operating costs or other similar line items, or narrative disclosure about trends in your operating costs or similar line items, that would balance your disclosure. In this regard, please revise your registration statement to provide context for your preliminary estimates, or remove these estimates from your filing. Further, we note your disclosure that "[o]ur actual first quarter 2021 results may be affected by review adjustments and other developments that may arise between now and the time our financial results for the first quarter of 2021 are finalized, and such changes could be material" (emphasis added). If

you choose to disclose preliminary results, you should be able to assert that the actual results are not expected to differ materially from those reflected in the preliminary results. Accordingly, please remove or revise this statement.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Refer to Rules 460 and 461 regarding requests for acceleration. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.
