Dear Mr. Burge

We have reviewed your filing and have the following comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within five business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. Form 8-K

Item 4.01 Changes in Registrant's Certifying Accountant

1. We note your disclosure that you will dismiss your current auditors upon the completion of their audit of your financial statements for the year ended December 31, 2010. Given that your auditors are still currently engaged and have not provided their report on your 2010 financial statements, explain to us how you are able to make the representations required by Item 304 (a)(1)(ii) or Item 304 (a)(1)(iv) of Regulation S-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
