Part II – Information Required in Offering Circular

General

1. We note you disclose on page 11 that you “expect to elect to become” a public reporting company under the Exchange Act upon completion of this offering and thereafter publicly report on an ongoing basis as an “emerging growth company.” You also disclose that if you do not elect to become a public reporting company under the Exchange Act, you will be required to file annual and semiannual reports under Regulation A. However, as your offering appears to be a Tier 1 offering under Regulation A, you will not have any ongoing reporting obligations thereunder and you do not appear to be registering a class of securities under the Exchange Act. Please explain your disclosures or revise your filing to clarify that you will have no ongoing reporting requirements following this offering and that you are not currently registering your offering under the Exchange Act.

We will consider qualifying your offering statement at your request. In connection with your request, please confirm in writing that at least one state has advised you that it is prepared to qualify or register your offering. If a participant in your offering is required to clear its compensation arrangements with FINRA, please have FINRA advise us that it has no objections to the compensation arrangements prior to qualification.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
