**Re: China Transportation Acquisition Corp.
Registration Statement on Form 10-12G
Amended October 27, 2010
File No. 000-54053**

Dear Mr. Xie Le Shan:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by amending your registration statement, by providing the requested information or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances or do not believe the amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

Risk Factors, page 3

1. With respect to your response to prior comment 9, please revise your risk factor disclosure as follows:
 - Please expand the risk factor captioned "There may be conflicts of interest..." on page 3 to discuss the specific conflict that has arisen as a result of your sole stockholder's failure to pay you pursuant to a stock purchase agreement, as disclosed on page 8.
 - Please expand the risk factor captioned "We have not yet received " on page 8 to address the probability that you will not seek to enforce the stock purchase agreement given that your sole director and officer is a principal of your sole stockholder.

Our stockholder has the ability to authorize a transaction..., page 9

2. We note your response to prior comment 4. Please revise your disclosure to explain whether such a transaction would require shareholder vote, and how the purchase price of the repurchased shares would be determined.

Item 2. Management's Discussion and Analysis of Financial Condition..., page 9

3. Please revise to clarify the basis for your disclosure that you will be able to cover your expenses, including the costs of investigating and analyzing business combinations for the next twelve months through loans from your stockholder or management, in light of the non-payment by your stockholder that is described on page 8. Please also expand your discussion to reflect that in the past you have relied on third party advances to cover your expenses, as disclosed on page 9. Finally, please expand to describe the material terms of the funding arrangement with Guangdong Wealth Guarantee Co., Ltd. and Guangdong Small and Medium Sized Enterprise Financial Promotion Association to which you refer in Note 5 on page F-16.

Item 7. Certain Relationships and Related Transactions..., page 12

4. With respect to your response to prior comment 8:
 - Please revise your disclosure to include the substance of your response to prior comment 8 regarding Guangdong Wealth Guarantee Co., Ltd. and Guangdong Small and Medium Sized Enterprise Financial Promotion Association.
 - Given the nature of the relationships between Guangdong Wealth and Guangdong SME and the other shell companies disclosed on page 12, please expand your disclosure to describe how they will determine which of the shell companies will engage in business combinations that they identify. Also disclose how you will determine which of the shell companies will pay the expenses of Guangdong Wealth and Guangdong SME while business combinations are sought before a specific combination is assigned to a specific shell company. Add appropriate risk factors.
5. Please update the disclosure in the first paragraph to reflect your response to prior comment 9 regarding the status of Elite Talent Limited's obligation under the stock purchase agreement.

Statements of Stockholder's Deficit, page F-13

6. We note that the net loss for the quarter ended August 31, 2010 does not agree to the corresponding amount presented in the Statement of Operations for that quarter. In that regard, we also see that the accumulated deficit and total stockholder's deficit as of August 31, 2010 do not agree to the corresponding amounts presented on the Balance

Note 1. Organizations and Description of Business, page F-14

7. Please revise to provide the representation regarding interim financial statements as set forth in Instruction 2 of Rule 8-03 of Regulation S-X.

Note 4. Stockholder's Deficiency, page F-16

8. In this footnote you disclose that on November 24, 2009 you issued one million shares to Pond View Limited. However, under Item 4 on page 11 you disclose that the shares were issued to Elite Talent Limited. Please resolve the discrepancy in an amendment to the filing.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require.
