Quality Control, page 30

1. Inasmuch as the company does not have a contract with Market Beverage Group and it is not known when a contract will be executed, it is not clear how the company plans to "inspect the production facilities of Market Beverage Group, Inc. and monitor its product quality." Please revise to clarify that there is no assurance that the company will be able to inspect or monitor the production facilities of Market Beverage Group since there is no contract with Market Beverage.
