**Re: Metrospaces, Inc.  
Preliminary Information Statement on Schedule 14C  
Filed on July 24, 2014  
File No. 001-36220**

Dear Mr. Brito:

We have limited our review of your preliminary information statement to the issue we have addressed in our comment. Please respond to this letter by revising the information statement. Where you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing the information you provide in response to our comment, we may have additional comments.

1. We note your disclosure that shares of your common stock available for issuance will increase following the reverse stock split. Please expand your disclosure to describe any specific plans, intentions, arrangements or understandings, whether written or oral, to issue any of the shares that will be newly available as a result of the reverse stock split. If you have no such plans, intentions, arrangements or understandings, please revise your disclosure to so state.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comment, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;

- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
