**NOTES TO FINANCIAL STATEMENTS**

**1. ORGANIZATION AND NATURE OF BUSINESS**

GLCA Securities, LLC (the Company) is a broker-dealer registered with the Securities and Exchange Commission (SEC) and a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company's registration with the SEC and FINRA became effective as of November 18, 2010. The Company is a Delaware limited liability company (LLC). The Company is a wholly owned subsidiary of GLC Advisors & Co. Holdings, LLC (the "Parent" and sole member).

Since the Company is a limited liability company, the member is not liable for the debts, obligations, or liabilities of the Company, whether arising in contract, tort or otherwise, unless the member has signed a specific guarantee.

The Company is engaged in a single line of business as a securities broker-dealer, which comprises several classes of services.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The Company maintains its books and records on the accrual basis of accounting for financial reporting purposes, which is in accordance with U.S. generally accepted accounting principles, which is required by the SEC and FINRA.

Estimates

The presentation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates and differences could be material.

Revenue Recognition

On January 1, 2018, the Company adopted Accounting Standards Update ("ASU") 2014-09 Revenue from Contracts with Customers and all subsequent amendments to the ASU (collectively, "ASC 606") using the modified retrospective method of adoption. ASC 606 created a single framework for recognizing revenue from contracts with customers that fall within its scope. Under ASC 606 revenue is recognized upon satisfaction of performance obligations by transferring control over goods or service to a customer. The adoption of ASC did not result in any changes to beginning retained earnings for the year ended December 31, 2021 or net income for the preceding year-end. Services within the scope of ASC 606 include investment banking merger and acquisition advisory fees.

Income Taxes

The Company is a single member limited liability company and as such, is not required to file its own tax return. Accordingly no provision for income taxes is provided in the financial statements as they are the responsibility of the individual member.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)**

Income Taxes (continued)

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under FASB ASC 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status and the decision not to file a return. The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions for which a provision or liability for income taxes is necessary.

Concentrations

The Company maintains its cash in bank deposit accounts, which at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk for cash. The top 3 clients comprised approximately 38% of revenue in 2021.

Cash and Cash Equivalents

The Company considers highly liquid investments, such as money market funds, that are readily convertible to known amounts of cash within 90 days from the date of purchase as cash and cash equivalents. All cash balances are held at major banking institutions.

The Company is evaluating new accounting standards and will implement as required.

**3. RELATED PARTY TRANSACTION**

The Company reimbursed the Parent or their Affiliates for certain expenses paid on behalf of the Company which were classified accordingly on the accompanying Statement of Operations. The amount reimbursed for the year ended December 31, 2021 was \$277,294. There were no amounts due to the Parent or affiliates as of December 31, 2021.

The Company tracked expenses shared with three other related parties. Those entities were deemed to have adequate resources independent of the broker dealer to pay their liabilities and expenses, and as allowed in SEA Rule 15c3-1(c)(2)(i)(F) and further guidance on FINRA Notice 03-63. For the year ended December 31, 2021, the non-reimbursable shared expenses with GLC Advisors & Co., LLC, Global Leveraged Capital Management, LLC and Global Leveraged Capital, Inc. were \$2,621,025, \$164,000 and \$7,950, respectively. The Company does not record those shared expenses.

**4. NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2021, the Company had net capital of \$3,817,788, which was \$3,812,788 in excess of its required net capital of \$5,000. The Company's percentage of aggregate indebtedness to net capital was 1.59%.

**5. COMMITMENTS AND CONTINGENCIES**

The Company has evaluated commitments and contingencies in accordance with Accounting Standards Codification 450, Contingencies (ASC 450) and Accounting Standards Codification 440, Commitments (ASC 440). Management has determined that no significant commitments and contingencies exist as of December 31, 2021.

**6. SUBSEQUENT EVENTS**

The Company evaluated subsequent events through March 2, 2022, the date the financial statements were issued. The Company did not identify any material subsequent events requiring adjustment to or disclosure in its financial statements.

**7. REVENUE FROM CONTRACTS WITH CUSTOMERS**

These services include agreements to provide advisory services to customers for which they charge the customers fees. The Company provides advisory services/corporate finance activity including mergers and acquisitions, reorganizations, tender offers, fundraising activity and the pricing of securities to be issued.

The agreement contains nonrefundable retainer fees and/or success fees, which may be fixed or represent a percentage of value that the customer receives if and when the corporate finance activity is completed ("success fees"). In some cases, there is also an "announcement fee" that is calculated on the date that a transaction is announced based on the prices included in the underlying sale agreement. The retainer fees, announcement fee, or other milestone fees may reduce any success fee subsequently invoiced and received upon the completion of the corporate finance activity. The Company has evaluated its nonrefundable retainer payments, to ensure its fee relates to the transfer of a good or service, as a distinct performance obligation, in exchange for the retainer. If a promised good or service is not distinct, the Company combines that good or service with other promised goods or services until it identifies a bundle of goods or services that is distinct. In some cases, that would result in the broker-dealer accounting for all the services promised in a contract as a single performance obligation and the retainer revenue is classified as deferred revenue on the Statement of Financial Condition. There was no deferred revenue as of December 31, 2021.
