REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
FixCenter, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of FixCenter, LLC (the "Company") as of December 31, 2017, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of the Company as of December 31, 2017 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

YSL & Associates LLC

We have served as FixCenter, LLC's auditor since 2013.

FixCenter, LLC

Notes to Statement of Financial Condition December 31, 2017

1. Nature of Operations

FixCenter, LLC (the "Company"), a wholly-owned subsidiary of FixCenter Holdings, LLC is a New York limited liability company. It is a broker dealer registered with the Securities and Exchange Commission (the "SEC") and a member of the Financial Industry Regulatory Authority ("FINRA").

The Company's operations consist primarily of developing and providing an electronic trading platform to be utilized for fixed income trading by third party broker dealers.

2. Summary of Significant Accounting Policies

Basis of Presentation

These financial statements were prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Cash

All cash deposits are held by one financial institution and therefore are subject to the credit risk at that financial institution. The Company has not experienced any losses in such accounts and does not believe there to be any significant credit risk with respect to these deposits.

Income Taxes

No provision for income taxes has been recorded because the Company is a single member limited liability company and is thus treated as a disregarded entity. Accordingly, the individual members of its parent report their share of the Company's income or loss on their personal income tax returns. The Company's parent is subject to the New York City unincorporated business tax.

As of December 31, 2017, management has determined that the company had no uncertain tax positions that would require financial statement recognition.

FixCenter, LLC

Notes to Statement of Financial Condition December 31, 2017

3. Regulatory Requirements

The Company is subject to SEC Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2017, the Company had net capital of approximately \$47,300 which was approximately \$42,300 in excess of its required net capital of \$5,000.

The Company does not handle cash or securities on behalf of customers. Accordingly, it is not affected by SEC Rule 15c3-3.

4. Going Concern

Accounting Standards Update 2014-15 requires that management evaluate conditions or events that might raise substantial doubt about the Company's ability to continue as a going concern. Management has evaluated the Company's conditions and has determined that unless the Company generates enough revenue or continues to be funded by its parent, there is substantial doubt about the Company's ability to continue as a going concern. Capital is not a significant income producing factor and should the Company have a need for capital it has been able to rely upon its parent to infuse capital to cover overhead should that become necessary. Management has pledged additional support to the Company to enable it to operate for the next year should that become necessary.
