we note footnote (b) to the table indicates these amounts are explained in the remaining footnotes, but the footnote applicable to each amount is unclear. Our comment applies to the table on page 20, as well.

Note 3A-6: McMinnville Headquarter Adjustment, page 7

2. We note your response and added disclosure related to our previous comment 6. Our comment related to the fact that the amount of the goodwill adjustment in your narrative disclosure differs from the amount of the goodwill A-6 adjustment in your tabular presentation. Specifically, your narrative disclosure indicates \$0.9 million to prepaid expenses and \$1.7 million to goodwill, while the tabular presentation, footnoted A-6, indicates \$0.9 million to prepaid expenses and \$0.9 million to goodwill. Please advise.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In responding to our comments, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filing; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

You may contact Amy Geddes at (202) 551-3304 or Margery Reich at (202) 551-3347 if you have questions regarding comments on the financial statements and related matters. Please contact me at (202) 551-3211 with any other questions.
