Re: GreenChoice International, Inc.  
Pre-effective Amendment 10 to Registration Statement on Form S-1  
Filed January 7, 2011  
File No. 333-167879

Dear Mr. Kirk:

We reviewed the filing and have the comments below.

Dilution, page 12

1. Please provide us your computation of the dilution table.

Plan of Operations, page 43

2. We note the added disclosure that GreenChoice International's president has verbally agreed to loan the company up to \$10,000 per month to assist in start-up operations if the company raises only a portion or none of the offering amount. If GreenChoice International is party to an oral contract that would be required to be filed as an exhibit under Item 601(b)(10) of Regulation S-K if it were written, GreenChoice International should provide a written description of the contract as an exhibit to the registration statement. For guidance, you may wish to refer to Question 146.04 in the Regulation S-K section of our "Compliance and Disclosure Interpretations" available on the Commission's website at <http://www.sec.gov>.

### Closing

As appropriate, please amend your registration statement in response to the comments. You may wish to provide us marked courtesy copies of the filing to expedite our review. Please furnish a cover letter tagged as correspondence with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after review of your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosures in the filing to be certain that the filing includes all information required under the Securities Act of 1933 and that they have provided all information that investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosures, they are responsible for the adequacy and accuracy of the disclosures that they have made.

Notwithstanding our comments, when the company requests acceleration of the effective date of the registration statement, it should furnish a letter at the time of the request acknowledging that:

- Should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing.
- The action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing.
- The company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

In addition, please be advised that the Division of Enforcement has access to all information that you provide to the staff of the Division of Corporation Finance in connection with our review of your filing or in response to our comments on your filing.

We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statements. We will act on the request and, pursuant to delegated authority, grant

acceleration of the effective date.

We direct your attention to Rules 460 and 461 regarding requesting acceleration of a registration statement. Please allow adequate time after the filing of any amendment for further review before submitting a request for acceleration. Please provide this request at least two business days in advance of the requested effective date.
