Notes to Consolidated Financial Statements

2. Summary of Significant Accounting Policies

Operating Segments and Reporting Units, page 63

1. We note your response to our prior comment 2, however, your response did not address all the quantitative thresholds noted in ASC 280-10-50-12. Please tell us how you considered ASC 280-10-50-12. Also, since the aggregation criteria of ASC 280-10-50-11 was not met, tell us why you believe it is appropriate to state, "the Company's business operates in two operating segments which are aggregated into one reportable segment." Please consider revising future disclosure.
