**Re: On the Move Systems Corp.
Registration Statement on Form S-1
Filed August 4, 2010
File No. 333-168530**

Dear Mr. Crawford:

We have reviewed your registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

General

1. Please revise throughout so that the registration statement gives an accurate representation of your business at the time of effectiveness. Throughout the filing, you discuss the company's intentions or aspirations, but such disclosure does not provide investors with the company's actual status. For example, your discussions about your intent to establish relationships with dealerships, government agencies, or consumers and your plans to develop a website, attend trade shows, market your products, and establish facilities in multiple states should be preceded with a discussion of the status of the company in accomplishing these goals.

Calculation of Registration Fee, page 2

2. The registration fee cannot be calculated in accordance with Rule 457(c) as there is no market for the common shares. Please revise the registration statement to recalculate the registration fee in accordance with the appropriate rule.

3. Please advise as to why you have included footnote (3), as you appear to be offering a fixed number of securities for a fixed price. Alternatively, advise.

Prospectus Cover Page

4. Please revise to clarify that all funds invested in the company will be immediately available for use by the company, and that you have made no arrangements to place the proceeds of the offering in an escrow account. Similarly revise your "Our Offering" section on page 5.
5. Please also revise to clarify that there is no guarantee that all shares will be sold or that the total amount of offering proceeds will be raised. Similarly revise your "Our Offering" section on page 5.
6. We note your statement that the offering will end no later than six months from the offering date, which appears to conflict with your disclosure that the offering may only be extended for an additional 90 days after the initial 90 day offering period. Please reconcile here and elsewhere throughout your filing or advise.

Dealer Prospectus Delivery Obligations, page 4

7. Please move the dealer prospectus delivery obligations to the outside back cover. Refer to Item 502(b) of Regulation S-K.

Market for the common shares, page 6

8. Please state here, as you do elsewhere in your filing, that you plan to apply for your stock to be quoted on the OTCBB. As you do not have plans to apply to be listed on an exchange, please delete your reference to a "public listing" or being "granted listing." Also revise throughout your filing.

Business Summary, page 6

9. Please disclose in one of the first paragraphs of this section the following: (1) your auditors have issued a going concern opinion; (2) your revenues and net losses since inception and your current assets; (3) that you will need to raise \$425,000, in addition to the proceeds of this offering, in order to implement your business plan; (4) that you have taken no concrete steps to implement your business plan, and (5) that you are a "shell company" as defined by Rule 405 of the Securities Act.
10. Please briefly discuss the "mobile electronic services" that you plan to provide.
