6 NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission's Uniform Net Capital Rule (15c3-1) (the "Rule"), which requires the maintenance of minimum net capital. The Rule prohibits the Company from engaging in securities transactions at any time the Company's net capital, as defined by the Rule, is less than \$5,000, or if the ratio of aggregate indebtedness to net capital, both as defined, exceeds 1500% (and the rule of "applicable" exchange provides that equity capital may not be withdrawn, or cash dividends paid, if aggregate indebtedness exceeds 1000% of net capital).

On December 31, 2023, the Company has net allowable capital of \$14,047, which is \$9,047 in excess of the required net capital of \$5,000. The Company's percentage of aggregate indebtedness to net capital is .00% as of December 31, 2023. Prepaid expenses reflected in the accompanying financial statements are not allowable assets for the purpose of computing minimum net capital under the Rule. The Company does not claim an exemption from SEC Rule 15c3-3, in reliance on Footnote 74 to SEC Release 34-70073, and as discussed in Q&A 8 of the related FAQ issued by SEC staff. 7 ACCOUNTS RECEIVABLE

An allowance for doubtful accounts is established against recorded accounts receivable if losses are estimated to have occurred through a provision for bad debt charged to earnings. Losses are charged against the allowance when management believes the collectability of a receivable is probable. Subsequent recoveries, if any, are credited to the allowance. The allowance for doubtful account is evaluated on a regular basis by management and is based on historical experience and specifically identified questionable receivables. The evaluation is inherently subjective, as it requires estimates that are susceptible to significant revision as more information becomes available. There were \$7,000 of Accounts Receivable at December 31, 2023 and none at December 31, 2022. The Accounts Receivable at December 31, 2023 was due upon receipt of services and was received, and deposited in January 2024.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Shareholder of
Commonwealth Advisors, Inc.

We have reviewed management's statements for the year ended December 31, 2023, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Commonwealth Advisors, Inc. (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to include receiving transaction-based compensation for identifying potential merger and acquisition opportunities for clients. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Commonwealth Advisors, Inc's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Commonwealth Advisors, Inc's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
