General

1. We note your response to comment 1 from our letter dated January 16, 2013. According to the Newfoundland/Labrador Department of Natural Resources website your claims have not been renewed and therefore we reissue the comment. In your response please provide verification of your claim renewal.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require.
