**Re: Anpulo Food, Inc.
Amendment No. 1 to Registration Statement on Form S-1
Filed January 2, 2014
File No. 333-192006**

Dear Mr. Luo:

We have reviewed your responses to the comments in our letter dated November 27, 2013 and have the following additional comments.

General

1. We note your response to our prior comment 2. Please revise the prospectus to disclose that the resale offering is being registered pursuant to a "mutual understanding" between Mr. Luo and the selling shareholders.
2. We note your response to our prior comment 3 and reissue in part. Please explain why there have been, and continue to be, substantial disclosure similarities between your filing and the periodic Exchange Act reports of Zhongpin Inc. For instance, much of the disclosure in the risk factors section and the products section appear to be substantially similar.
3. We note your response to our prior comment 4. Please explain why you have not yet filed the appropriate Form 8-K and tell us when you plan to do so.

4. We note your response to our prior comment 9. Please explain the applicability of Rule 416(a) to your offering, as there does not appear to be any indications that the shares offered contain anti-dilution terms.

Third Party Data

5. We note your response to our prior comment 11 and reissue. It does not appear the prospectus has been revised. Please remove the disclaimer that investors are “cautioned not to give undue weight to these estimates.”

This includes the need for financing. If financing may not be available, please clarify that.
