Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

General

1. Please provide the information required by Item 502(b) of Regulation S-K with respect to the Dealer Prospectus Delivery Obligation.

Prospectus Cover Page

2. Please state that the shares will be offered at the “fixed price” of \$0.02 per share. Please also revise “Plan of Distribution” section as well.

Summary

3. We note your statement that “we may need additional funds to operate our business for the next twelve months ...” We also note that you plan on spending \$20,000 in operations during the next twelve months and that you have \$22,335 in total assets. We note your statement in the Plan of Operations section that “we ... are dependent upon obtaining financing to continue with our business plan.” It appears to us that the company will need additional funds to operate for the next twelve months in light of its financial situation. Please revise or advise.

Risk Factors

4. It would appear that a risk factor should be added to address the company's not having any contacts or operating experience in Scandinavia where the company plans to conduct its business. Please revise or advise.

Because we will distribute our products overseas ..., page 7

5. We note your statement that "we will export all our products overseas." We also note your disclosure in the Business section that states you plan on distributing your products in Canada and in Scandinavian Europe. Please revise your statement as appropriate.

Because management has no experience..., page 7

6. Please revise your initial sentence to make clear that the company's sole officer and director has no experience in the nutritional supplements distribution business as indicated in the risk factor itself and elsewhere in the prospectus.

7. Please add a statement beneath the selling shareholder table to indicate whether or not Eve-Lyn Parrik is related to the company's president, Georgi Parrik, in any manner.

Description of Business

General, page 14

9. Please include the statement, "[I]t is likely that we will not be able to achieve profitability and will have to cease operations due to the lack of funding ..." in the Summary section of the prospectus.
10. Address the sources and availability of raw materials used in making the company's anticipated nutritional supplement products.
11. We note that the company has an oral agreement with one supplier and that initially, "...we plan to purchase substantially all of our products from MVP..." Please discuss why the company has not entered in to a written definitive agreement given its dependence on this sole source for its products.

12. Please expand your description of business to address in adequate detail how the company, headquartered in Canada, plans to conduct its business of distributing products in Sweden, Finland, Denmark, and Norway. We note that the company plans to hire one salesman in Sweden and one in Finland during the fourth quarter following the filing of the registration statement, and will be looking for sales representatives “who have contacts or working in the industry of nutritional supplements.” Does the company plan to conduct all of its business on-line and mail the products directly from Canada, or will warehouse space be rented in Scandinavia, or otherwise? Please fully describe your business plans.
13. Please describe in adequate detail how your business will be set up to distribute the products in Canada.
14. Revise to address the competitive conditions in your industry and the company’s competitive position in the industry. Also address the methods of competition.
15. We note from MVP Biotech’s website that there are Canadian on-line distributors and numerous retail stores in Canada. Please describe how the company plans to compete with these established entities.

16. We note references such as “[R]esearch has shown...”, “[S]tudies have also shown...”, and “[T]here is a strong belief that...” relating to descriptions of the supplements you intend to distribute. Please provide the specific source or basis for the statements or delete them.

Agreement with our supplier, page 16

17. We note your statement that “we have a verbal agreement with a MVP biotech company” and “we have an agreement with the MVP supplier” Please clarify who the company has an oral agreement with.
18. The statement, “[I]n order to get the highest available discount we will be required to order over 2000 units of product at once and prepay the order” is noted. Please disclose the estimated cost of an initial order.
19. Here or in another appropriate section, disclose the location where the products will be maintained once the company has paid for them, pending shipment to their final destination. Does Mr. Parrik anticipate having the products delivered to the company’s office where they will then be shipped out to customers? Are the products shipped directly from the manufacturer? Revise to clarify you product distribution methods.

20. It appears that you have entered into an oral agreement with MVP Biotech. Revise to address all the material terms of your oral agreement with MVP Biotech. Since the company is party to an oral contract that would be required to be filed as an exhibit pursuant to Item 601(b)(10) if it were written, you must provide a written description of the contract as an exhibit to the registration statement. Sponsorship Agreement, page 18

25. We note a summary of the terms of this agreement. Please revise to address the material terms of this agreement including the duration of the agreement. Identify the fighter the company has a sponsorship agreement with and their sport. Expand your discussion to disclose whether there is a monetary limit per month or per year, associated with the “continual supply of health supplements and clothing listed” to be provided to the fighter or add disclosure of the limitations set forth in Exhibit A to the Sponsorship Agreement.
