SECTION 3: REPRESENTATIONS AND WARRANTIES OF PURCHASER

The undersigned Purchaser hereby represents and warrants to the Company as follows:

3.1 Transfer of Shares. The Shares have not been registered under the Securities Act and cannot be sold or otherwise transferred without an effective registration or an exemption therefrom, and as of the date of this Agreement, may not be sold pursuant to the exemptions provided by Section 4(1) of the Securities Act in accordance with the letter from Richard K. Wulff, Chief of the Office of Small Business Policy of the Securities and Exchange Commission’s Division of Corporation Finance, to Ken Worm of NASD Regulation, Inc., dated January 21, 2000.

3.2 Experience. The undersigned has such knowledge and experience in financial and business matters that the undersigned is capable of evaluating the merits and risks of investment in the Company and of making an informed investment decision. The undersigned has adequate means of providing for the undersigned’s current needs and possible future contingencies and the undersigned has no need, and anticipates no need in the foreseeable future, to sell the Shares for which the undersigned subscribes. The undersigned is able to bear the economic risks of this investment and, consequently, without limiting the generality of the foregoing, the undersigned is able to hold the Shares for an indefinite period of time and has sufficient net worth to sustain a loss of the undersigned’s entire investment in the Company in the event such loss should occur. Except as otherwise indicated herein, the undersigned is the sole party in interest as to its investment in the Company, and it is acquiring the Shares solely for investment for the undersigned’s own account and has no present agreement, understanding or arrangement to subdivide, sell, assign, transfer or otherwise dispose of all or any part of the Shares subscribed for to any other person.

3.3 Investment; Access to Data. The undersigned has carefully reviewed and understands the risks of, and other considerations relating to, a purchase of the Common Stock and an investment in the Company. The undersigned has been furnished materials relating to the Company, the private placement of the Common Stock or anything else that it has requested and has been afforded the opportunity to ask questions and receive answers concerning the terms and conditions of the offering and obtain any additional information which the Company possesses or can acquire without unreasonable effort or expense. Representatives of the Company have answered all inquiries that the undersigned has made of them concerning the Company, or any other matters relating to the formation and operation of the Company and the offering and sale of the Common Stock. The undersigned has not been furnished any offering literature other the undersigned has relied only on such information furnished or made available to the undersigned by the Company as described in this Section. The undersigned is acquiring the Shares for investment for the undersigned's own account, not as a nominee or agent and not with the view to, or for resale in connection with, any distribution thereof. The undersigned acknowledges that the Company is a start-up company with no current operations, assets or operating history, which may possibly cause a loss of Purchaser's entire investment in the Company.

3.4 Authorization. (a) This Agreement, upon execution and delivery thereof, will be a valid and binding obligation of Purchaser, enforceable in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization and moratorium laws and other laws of general application affecting enforcement of creditors' rights generally.

(b) The execution, delivery and performance by Purchaser of this Agreement and compliance therewith and the purchase and sale of the Shares will not result in a violation of and will not conflict with, or result in a breach of, any of the terms of, or constitute a default under, any provision of state or Federal law to which Purchaser is subject, or any mortgage, indenture, agreement, instrument, judgment, decree, order, rule or regulation or other restriction to which the Purchaser is a party or by which the undersigned Purchaser is bound, or result in the creation of any mortgage, pledge, lien, encumbrance or charge upon any of the properties or assets of Purchaser pursuant to any such term.

3.5 Accredited Investor. Purchaser is an accredited investor as defined in Rule 501(a) of Regulation D under the Securities Act of 1933, as amended and has executed the statement of accredited investor annexed hereto as Exhibit A.
