Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of BSP Securities, LLC (the Company) as of December 31, 2017, and the related statements of operations, changes in member's equity and cash flows for the year then ended, and the related notes to the financial statements (collectively, the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2017, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the auditing standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplementary information contained in Computation of Net Capital Under Rule 15c3-1 of the Securities and Exchange Commission (the Supplemental Information) has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The Supplemental Information is the responsibility of the Company's management. Our audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming our opinion on the Supplemental Information, we evaluated whether the Supplemental Information, including its form and content is presented in conformity with Rule 17a-5 under the Securities Exchange Act of 1934. In our opinion, the supplementary information contained in Supplemental Information is fairly stated, in all material respects, in relation to the financial statements as a whole.

BSP Securities, LLC
(a wholly owned subsidiary of Banks Street Partners, LLC)
Notes to the Financial Statements
December 31, 2017

Note 1 — Description of Business and Summary of Significant Accounting Policies

Business

BSP Securities, LLC (the "Company") is a Georgia limited liability company formed on September 15, 2010 and is a broker-dealer registered with the Securities and Exchange Commission ("SEC") and Section 15(b) of the Securities Exchange Act of 1934, and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company provides investment banking services primarily to small and mid-sized banks in the southeastern United States.

Per its FINRA membership agreement, the Company is permitted to be an underwriter or selling group participant in firm commitment underwritings (directing clients to deal managers for transaction executions), private placements of securities, and merger and acquisition services. The Company's primary source of revenue is providing merger and acquisitions services to small and mid-sized banks and thrifts.

Basis of Presentation and Use of Estimates

The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America ("GAAP"). The preparation of financial statements in conformity with GAAP requires the Company's management to make estimates and assumptions that affect the amounts reported in the financial statements. Actual results could differ from these estimates.

Receivable from Non-Customers

Receivable from non-customers represents money due to the Company from a client where services have been rendered. The Company believes the full amount of the receivable is collectable; therefore, no allowance for doubtful accounts has been recorded in these financial statements.

Deferred Revenues

Deferred revenues arising from investment banking fees that have not closed and non-refundable retainers are recognized as revenues when considered earned.

Investment Banking

Investment banking revenues include fees earned from providing merger and acquisition and financial restructuring advisory services. Investment banking management fees are recorded on the offering date and sales concessions on settlement dates. Advisory fees are recorded as earned.

Income Taxes

As a limited liability corporation, the tax consequences of the Company's operations all pass through to the member. Accordingly, the Company's financial statements do not include a provision for income taxes.

GAAP requires management to evaluate tax positions taken by the Company and recognize a tax liability (or asset) if the Company has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. Management has analyzed the tax positions taken by the Company and has concluded that, as of December 31, 2017, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability or asset or disclosure in the Company's financial statements. The Company has recognized no interest or penalties related to uncertain tax positions. The Company is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Concentration of Credit Risk

The Company maintains cash balances at banks or other financial institutions. At various times during the year, these balances may exceed the \$250,000 FDIC insurance limit.

Notes to the Financial Statements
December 31, 2017

Note 1 — Description of Business and Summary of Significant Accounting Policies (continued)

Limitation of Member Liability

Member liability is limited to the amount of capital contributed under Georgia limited liability corporation law.

New Accounting Pronouncements

In May 2014, the FASB issued ASU 2014-09, Revenue from Contracts with Customers. The Company will adopt ASU 2014-09 effective January 1, 2018. ASU 2014-09 will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective. In doing so, companies will need to use more judgment and make more estimates than under current guidance. Management expects the adoption to not have an impact on its financial statements.

Note 2 — Related Party Transactions

Banks Street Partners, LLC (the "Parent"), the 100% owner of the Company, provides ongoing administrative support, management, office space, office equipment and other services under a written Services Agreement. During the year ended December 31, 2017, the Company recorded service fees totaling \$1,720,199 under the agreement. In 2017, the Company prepaid \$392,041 of shared expenses for 2017 and 2018. The balance of the prepaid asset is \$87,334 at December 31, 2017. The Services Agreement can be cancelled at any time with consent of the Parent.

Note 3 — Net Capital Requirements

The Company is subject to the U.S. SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires that the Company maintain minimum net capital equivalent to the greater of \$5,000 or 6 2/3% of aggregate indebtedness and requires that the ratio of aggregate indebtedness to net capital shall not exceed 15 to 1. At December 31, 2017, the Company had net capital of \$984,371 as defined, which was \$884,371 in excess of its required minimum net capital of \$100,000. The Company's percentage of aggregate indebtedness to net capital was 70.89 at December 31, 2017.

Advances to affiliates, distributions, and other equity withdrawals are subject to certain notification and other provisions of the SEC Uniform Net Capital Rule or other regulatory bodies.

Note 4 — Subsequent Events

Management has evaluated subsequent events for potential recognition or disclosure in the financial statements through the date on which the financial statements were issued and nothing material was found.

Note 5—Contingencies

The Company has no contingencies at December 31, 2017.
