Re: AXIM International, Inc.
Form 8-K Item 4.01
Filed May 20, 2014
File No. 0-54296

Dear Dr. Anastassov:

We have reviewed your filing and have the following comments.

Please respond to this letter within ten business days by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comments apply to your facts and circumstances, please tell us why in your response.

After reviewing the information you provide in response to these comments, we may have additional comments.

1. Please revise your filing to clearly disclose that the PCAOB has revoked the registration of Jeffrey & Company.
2. Please revise your filing to provide the disclosures required by Item 304(a)(1)(ii). Also in this regard, revise to indicate, if true, that such audit reports contained a going concern explanatory paragraph
3. To the extent that you make changes to the Form 8-K to comply with our comments, please obtain and file an updated Exhibit 16 letter from the former accountants stating whether the accountants agree with the statements made in your revised Form 8-K.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
