Filed June 1, 2011
File No. 333-173680**

Dear Mr. Somsen:

We have reviewed your amended registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

General

1. We note your response to comment one in our letter dated May 19, 2011, however we do not see the revised disclosure. Please explain why Rule 419 does not apply or revise your disclosure throughout your registration statement to comply with Rule 419 of Regulation C. Please also disclose in the filing whether you seek to engage in a merger, acquisition or business combination.
2. Clarify throughout your registration statement that the fixed price of \$.001 per share applies to the duration of the 29-day offering and that you have no plans to have your securities quoted or traded on a market or exchange, if true.
