**Re: John Deere Owner Trust 2011
Form 10-K for the Fiscal Year Ended October 31, 2012
Filed January 25, 2013
File No. 333-151821-04**

Dear Mr. Israel:

We have reviewed your filing and have the following comment. In our comment, we ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by providing the requested information or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing the information you provide in response to our comment, we may have additional comments.

Exhibits to Form 10-K
Exhibit 33.1

1. We note that John Deere Capital Corporation ("JDCC") and Deere Credit Services filed separate compliance statements under Item 1123 of Regulation AB (Exhibits 35.1 and 35.2); however, JDCC together with its subsidiaries filed one report on its assessment of compliance with servicing criteria (Exhibit 33.1). Please advise as to why Deere Credit Services did not file a separate assessment of compliance with servicing criteria even though it filed a separate servicer compliance statement. See Instruction 2 to Item 1122 and the Instruction to Item 1123.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
