## Notes to Consolidated Financial Statements

## 3. Divestiture, page F-16

1. Please provide us a full analysis supporting your accounting treatment for the April 10, 2015 sale of your manufacturing facility in Gainesville, GA with reference to authoritative accounting literature. In doing so please tell us why you included the \$57.6 million earn-out payment in your gain calculation for this sale. We note that the earn-out is based on a formula involving the likelihood of receiving two regulatory milestones within the next two or three years, royalty payments to be earned in the future and expected sales milestones.

In responding to our comment, please provide a written statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
