Please respond to this comment within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing your response to this comment, we may have additional comments. Unless we note otherwise, our references to prior comments are to comments in our September 28, 2016 letter.

FORM 8-K FILED ON AUGUST 8, 2016

Exhibit 99.1

1. We have considered your response to comment two. Given the characteristics of the adjustments made to arrive at adjusted funds from operations (AFFO) and the correlation between the presented AFFO amounts to cash flow from operations, it appears AFFO can be used as a liquidity measure. Pursuant to Question 102.05 of the updated Non-GAAP Compliance and Disclosure Interpretations issued on May 17, 2016, please revise future filings to exclude presentation of AFFO on a per share basis.
