REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
IIP Securities LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of IIP Securities LLC (the "Company") as of September 30, 2019 the related statements of operations, changes in member's capital, and cash flows for the year then ended, and the related notes and schedules (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of September 30, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Auditors' Report on Supplemental Information

The supplemental information contained in Schedule I and Schedule II has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of the Company's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the supplemental information contained in Schedule I and Schedule II is fairly stated, in all material respects, in relation to the financial statements as a whole.

IIP SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Note 1 - Organization and nature of business

IIP Securities LLC (the "Company"), is a wholly-owned limited liability company. The Company is registered with the Securities and Exchange Commission ("SEC") as a broker-dealer and is a member of Financial Industry Regulatory Authority. The Company is engaged in the private placement of securities and other securities business.

Note 2 - Summary of significant accounting policies

Basis of accounting and use of estimates

These financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP") which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

Revenue recognition

The Company earns fees from consulting services and securities offerings in which the Company acts as a placement agent. Revenue is recognized as consulting services are rendered and placement deals are consummated. The Company does not carry accounts for customers or perform custodial functions related to securities.

Income taxes

The Company is a limited liability company and is treated as a disregarded entity for income tax reporting purposes. Accordingly, the Company has not provided for federal or state income taxes.

The management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will always be subject to ongoing reevaluation as facts and circumstances may require. Currently, the Company is not subject to examination by major tax jurisdictions.

Revenue recognition

Effective October 1, 2018, the Company adopted ASC Topic 606, Revenue from Contracts with Customers ("ASC Topic 606"). The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. In determining the transaction price, an entity may include variable consideration only to the extent that it is probable that a significant reversal in the amount of cumulative revenue recognized would not occur when the uncertainty associated with the variable consideration is resolved. The Company applied the modified retrospective method of adoption which resulted in no adjustment to member's capital as of October 1, 2018.

IIP SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS
SEPTEMBER 30, 2019

Note 3 – Compliance with Rule 15c3-3

The Company does not handle cash or securities on behalf of customers and accordingly has no obligation under SEC Rule 15c3-3.

Note 4 - Concentrations

The Company maintains its cash balance at one financial institution. The Company does not consider itself to be at risk with respect to its cash balance.

Note 5 - Regulatory requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At September 30, 2019, the Company had net capital of approximately \$12,600, which was approximately \$7,600 in excess of its required net capital of \$5,000.

Note 6 - Related party transactions

Pursuant to an administrative service agreement (the "Agreement") between the Company and an Affiliate, the Company accrues a monthly administrative fee for utilizing certain resources of the member. The Company has accrued \$16,500 for the year ended September 30, 2019 under the Agreement. During the year the Affiliate converted \$16,500 of indebtedness into capital which is included in the total amount of contributions of \$16,500.

The Agreement has a term of one year and is automatically renewed annually, unless terminated or modified by written notice.

The affiliate agreed to pay other expenses on behalf of the Company without seeking reimbursement. Management estimates that such expenses amount to \$14,000.

Note 7 – Going concern

Accounting Standards Update 2014-15 requires that management evaluate conditions or events that might raise substantial doubt about the Company's ability to continue as a going concern. Management has evaluated the Company's conditions and has determined that unless the Company generates enough revenue or continues to be funded by its parent or indirectly by its ultimate parent, there is substantial doubt about the Company's ability to continue as a going concern. Capital is not a significant income producing factor and should the Company have a need for capital it has been able to rely upon its parent or its ultimate parent to infuse capital to cover overhead should that become necessary. Management has pledged additional support to the Company to enable it to operate for one year from the date that the statements are issued.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
IIP Securities LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report, in which (1) IIP Securities LLC (the "Company") may file an exemption report because it had no obligations under 17 C.F.R. §240.15c3-3 and (2) the Company stated that it had no exceptions under SEC Rule 15c3-3 throughout the most recent fiscal year. The Company's management is responsible for compliance with 17 C.F.R. §240.15c3-3 and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about the Company's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on Rule 15c3-3 under the Securities Exchange Act of 1934.
