Notes to the Consolidated Financial Statements, page F-7

Net proved and proved developed reserve quantities summary, page F-36

1. Our prior comment four asked that you disclose explanation of the significant revisions to your proved reserves during 2012. The 2012 revisions are changes from your proved reserves as of December 31, 2011 that occurred in 2012 and are at least 15% (=981 MBOE/6,680 MBOE). We re-issue our prior comment four.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are
