Further, CCS, in rendering CCS duties shall not utilize any invention, discovery, development, improvement, innovation, or trade secret in which CCS does not have a proprietary interest. During the term of this agreement, CCS shall devote as much productive time, energy and abilities to the performance of CCS's duties hereunder as is necessary to perform the required duties in a timely and productive manner. CCS is expressly free to perform services for other parties while performing services for DTII. For a period of six months following any termination, CCS shall not, directly or indirectly hire, solicit, or encourage to leave DTII's employment, any employee, consultant, or contractor of DTII or hire any such employee, consultant, or contractor who has left DTII's employment or contractual engagement within one year of such employment or engagement.

8. **Right to Injunction.** The parties hereto acknowledge that the services to be rendered by CCS under this Agreement and the rights and privileges granted to DTII under the Agreement are of a special, unique, unusual, and extraordinary character which gives them a peculiar value, the loss of which cannot be reasonably or adequately compensated by damages in any action at law, and the breach by DTII of any of the provisions of this Agreement will cause CCS irreparable injury and damage. DTII expressly agrees that CCS shall be entitled to injunctive and other equitable relief in the event of, or to prevent, a breach of any provision of this Agreement by DTII. Resort to such equitable relief, however, shall not be construed to be a waiver of any other rights or remedies that CCS may have for damages or otherwise. The various rights and remedies of CCS under this Agreement or otherwise shall be construed to be cumulative, and no one of them shall be exclusive of any other or of any right or remedy allowed by law.

9. **Merger.** This Agreement shall not be terminated by the merger or consolidation of DTII into or with any other entity.

10. **Termination.** DTII or CCS may terminate this Agreement at any time by 10 working days' written notice to CCS or DTII.

11. **Independent Contractor.** This Agreement shall not render CCS an employee, partner, agent of, or joint venture with DTII for any purpose. CCS is and will remain an independent contractor in its relationship to DTII. DTII shall not be responsible for withholding taxes with respect to CCS's compensation hereunder. CCS shall have no claim against DTII hereunder or otherwise for vacation pay, sick leave, retirement benefits, social security, worker's compensation, health or disability benefits, unemployment insurance benefits, or employee benefits of any kind.

12. **Successors and Assigns.** All of the provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, if any, successors, and assigns.

13. **Choice of Law.** The laws of the state Idaho shall govern the validity of this Agreement, the construction of its terms and the interpretation of the rights and duties of the parties hereto.

14. **Arbitration.** Any controversies arising out of the terms of this Agreement or its interpretation shall be settled in Idaho in accordance with the rules of the American Arbitration Association, and the judgment upon award may be entered in any court having jurisdiction thereof.

15. **Headings.** Section headings are not to be considered a part of this Agreement and are not intended to be a full and accurate description of the contents hereof.

16. **Waiver.** Waiver by one party hereto of breach of any provision of this Agreement by the other shall not operate or be construed as a continuing waiver.

16. **Assignment.** DTII shall not assign any of DTII's rights under this Agreement, or delegate the performance of any of duties hereunder, without the prior written consent of CCS.

17. **Notices.** Any and all notices, demands, or other communications required or desired to be given hereunder by any party shall be in writing and shall be validly given or made to another party if personally served, emailed, or if deposited in the United States mail. If such notice or demand is served personally, notice shall be deemed constructively made at the time of such personal service. If such notice, demand or other communication is given by mail, such notice shall be conclusively deemed given five days after deposit thereof in the United States mail addressed to the party to whom such notice, demand or other communication is to be given as follows:

EXHIBIT A

DUTIES, TERM, COMPENSATION, AND PROVISIONS

DUTIES: CCS will support DTII in its development of a fully reproducible Concealed Contraband and Weapons Detection System (CWD) product line, or lines, in preparation for and commencement of DTII manufacturing the resultant CWD systems under a separate licensing agreement. This separate licensing agreement must be executed and in full force, prior to the start of this work. DTII will supply CCS input and feedback to help both parties steer product development of the CWD systems for the benefit of a completed CWD product line, or lines, that can be fabricated and sold by DTII. Cost of materials, incurred by CCS in connection with this work, is the responsibility of DTII and payable by DTII to CCS, within 30-days upon receipt of invoice from CCS.

TERM: The term or Contract Period of this Agreement shall commence on the EFFECTIVE DATE hereof and shall continue through completion of the project unless cancelled by Parties.

COMPENSATION: As full compensation for the services rendered pursuant to this Agreement, DTII shall pay CCS a minimum monthly payment of \$5000.00 per month at an hourly rate of \$200.00 per hour. This payment structure provides to DTII twenty-five (25) labor hours from CCS per month at an hourly rate of \$200.00 per hour. Such compensation shall be payable to CCS on or before the 5th day of each month.

PROVISIONS:

1. An initial advance payment or retainer of \$5000.00 is required to begin this project and work. This retainer is due within 5-days of the EFFECTIVE DATE of this agreement. This retainer will be applied to the first month labor costs incurred by CCS in connection with the performance of its duties.
2. CCS will invoice DTII for labor hours which are over the monthly compensated 25-labor hours. Invoices for parts and materials will be invoiced separately. Invoices shall be paid by DTII within a 30-day period from date of invoice. Invoices with balances past due over 30 days will accumulate a compound interest of eighteen percent (18%) on the balance due, until balance is paid in full.
3. CCS reserves the right to terminate or delay work on the project if balances are past due beyond 60 days.
4. Changes in project direction, use of alternative technologies, and engineering change orders, may necessitate further labor and material costs for this project.
