Dear President Becker,

Respectfully, effected October 27th, 2020 I hereby tender resignation as Chief Executive Officer of Ameri Metro, Inc. As you know, I was diagnosed with lupus many years ago and it is wearing on me physically. Regretfully, I simply do not have the energy to remain as active as I have been for the last several years.

I intend to retain my Board seat for as long as I can provide meaningful service and the Board so desires.

Sincerely,

Deborah Mathias
