1. Please confirm that in future filings, in addition to being signed by the company's principal executive officer and principal financial officer, the report will be signed by the company's principal accounting officer or controller. See Form 10-K, General Instruction D(2)(a).

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
