Summary Organizational Structure, page 11

1. We note your response to our prior comment 5. Given your disclosure in the Use of Proceeds section on page 40 that up to a certain amount of the remaining proceeds may be used to purchase membership units of EDG LLC and shares of your Class B common stock from EM II LP and B&L, please advise as to how only the Existing Investors will own the remaining shares of your Class A common stock as set forth in the first sentence of footnote (3) to the chart. Alternatively, please revise your disclosure here and elsewhere in the prospectus as applicable, including in footnote (3) on page 113, to set forth the percentage of Class A common stock that will be held by EM II LP and B&L upon completion of this offering.

2. Please refer to adjustment (h) – with regard to the statements on page 58 that unamortized debt issuance costs will not be written off for the revolving credit facilities, please tell us whether paying down the outstanding amounts of such credit facilities will impact the amount available for borrowing subsequent to the repayment. If the available credit is reduced as a result of the payoffs, please tell us how you considered the guidance in ASC 470-50-40-21c.2.

Management’s Discussion and Analysis, page 61

3. We note your presentation of pro forma contractual obligations after giving effect to the reorganization and use of proceeds. Please revise to include footnotes to the table explaining the amounts of contractual obligations that will be paid with the offering proceeds. Your revised disclosure should clearly illustrate the amounts paid to arrive at the pro forma balance.
