Form 8-K, Item 4.02
Filed April 23, 2015
File No. 000-55288

Dear Mr. Carmichael:

We have reviewed your filing and have the following comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this comment within five business days by amending your filing, by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your filing and the information you provide in response to this comment, we may have additional comments.

1. As soon as practicable, you should amend your Form 10-K for the year ended December 31, 2014 to remove the auditors' report and to make it clear that the financial statements are not audited. Once you have had a PCAOB registered public accounting firm conduct the required audits, you should amend those filings again to reflect that.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
