### **REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Members of  
NCG Securities, LLC

#### **Opinion on the Financial Statement**

We have audited the accompanying statement of financial condition of NCG Securities, LLC (the "Company") as of December 31, 2023, and the related notes (collectively referred to as the "financial statement"). In our opinion, the financial statement presents fairly, in all material respects, the financial position of the Company as of December 31, 2023, in conformity with accounting principles generally accepted in the United States of America.

#### **Basis for Opinion**

This financial statement is the responsibility of the Company's management. Our responsibility is to express an opinion on the Company's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**1. Organization**

NCG Securities, LLC (the “Company”) is a New Jersey Limited Liability Company. The Company is registered as a broker-dealer with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company’s primary activity is earning commissions on selling variable life insurance. Its other revenue may be derived from private placement of securities.

**2. Summary of Significant Accounting Policies**

**Basis of Presentation**

These financial statements are prepared in conformity with accounting principles generally accepted in the United States of America (“US GAAP”) which requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates.

**Cash**

All cash deposits are held by one financial institution and, therefore, are subject to the credit risk at this financial institution.

**Allowance for Credit Losses**

ASC Topic 326, Financial Instruments – Credit Losses (“ASC 326”) impacts the impairment model for certain financial assets by requiring a current expected credit loss (“CECL”) methodology to estimate expected credit losses over the entire life of the financial asset. Under ASC 326, the Company could determine there are no expected credit losses in certain circumstances (e.g., based on the credit quality of the client).

The allowance for credit losses is based on the Company's expectation of the collectability of financial instruments, including fees and other receivables utilizing the CECL framework. The Company considers factors such as historical experience, credit quality, age of balances and current and future economic conditions that may affect the Company’s expectation of the collectability in determining the allowance for credit losses. Under the standard, the allowance for credit losses must be deducted from the amortized cost of the financial asset to present the net amount expected to be collected.

The statement of operations would reflect the measurement of credit losses for newly recognized financial assets as well as the expected increases or decreases of expected credit losses that might have taken place during the period. The Company has not provided an allowance for credit losses at December 31, 2023.

**2. Summary of Significant Accounting Policies (continued)**

**Receivables and Contract Balances**

Receivables arise when the Company has an unconditional right to receive payment under a contract with a customer and are derecognized when the cash is received. Contract assets arise when the revenue associated with the contract is recognized prior to the Company's unconditional right to receive payment under a contract with a customer (i.e., unbilled receivable) and are derecognized when either it becomes a receivable or the cash is received. Contract liabilities arise when customers remit contractual cash payments in advance of the Company satisfying its performance obligations under the contract and are derecognized when the revenue associated with the contract is recognized when the performance obligation is satisfied. As of January 1, 2023 and December 31, 2023, the Company had no receivables, contract assets or contract liabilities.

**Income Taxes**

The Company is a single member limited liability company and is treated as a disregarded entity for income tax purposes; it therefore does not incur income taxes at the Company level. Instead its earnings and losses are passed through to the member and included in the calculation of the member's tax liability. Accordingly, no provision for income taxes has been made in the accompanying financial statements.

Management has determined that the Company had no uncertain tax positions that would require financial statement recognition. This determination will be subject to ongoing reevaluation as facts and circumstances may require.

**3. Related Party Transactions**

The Company has an expense sharing agreement with a company under common ownership. Pursuant to the agreement the affiliate provides general and administrative support to the Company and the Company has no obligation, direct or indirect, to compensate or reimburse the affiliate for such expenses.

The terms of any of these arrangements may not be the same as those that would otherwise exist or result from agreements and transactions among unrelated parties.

**4. Regulatory Requirements**

The Company is subject to SEC Uniform Net Capital Rule 15c3-1 under the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, as both defined, shall not exceed 15 to 1. At December 31, 2023, the Company had net capital of \$30,977, which exceeded the required minimum net capital of \$5,000 by \$25,977.

The Company does not handle cash or securities on behalf of customers and accordingly has no obligation under SEC Rule 15c3-3.

**5. Going Concern**

Accounting Standards Update 2014-15 requires that management evaluates conditions or events that might raise substantial doubt about the Company's ability to continue as a going concern. Management has evaluated the Company's conditions and has determined that if the Company does not generate enough revenue or continue to be funded by its member, there is substantial doubt about the Company's ability to continue as a going concern. Capital is not a significant income producing factor but should the Company have a need for capital it will be able to rely upon its member to infuse capital to cover overhead should that become necessary.

**6. Subsequent Events**

Management of the Company has evaluated events or transactions that may have occurred subsequent to December 31, 2023 and through the date the financial statements were issued and determined that there are no material events that would require disclosure in the Company's financial statements.
