**Re: Anglesea Enterprises, Inc.  
Post-effective Amendment No. 1 to Form S-1  
Filed November 12, 2013  
File No. 333-179147**

Dear Mr. Christie:

We have reviewed your registration statement and have the following comment. In our comment, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. Where you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to this comment, we may have additional comments.

General

1. Update the financial statements pursuant to Rule 8-08 of Regulation S-X.
2. Your registration statement was initially declared effective on July 30, 2012 with audited financial statements through September 30, 2011. Please advise as to whether any sales were made after April 30, 2013 under this registration statement.
3. You appear to be a shell company as defined in Rule 405, because you appear to have no or nominal operations and no or nominal assets. As such, you should disclose that you are a shell company on your prospectus cover page and add a risk factor that highlights the consequences of shell company status. Discuss the prohibition on the use of Form S-8 by shell companies; enhanced reporting requirements imposed on shell companies; and the conditions that must be satisfied before restricted and control securities may be

resold in reliance on Rule 144. Also, describe the potential impact on your ability to attract additional capital through subsequent unregistered offerings.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Act of 1933 and all applicable Securities Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, before we can declare the amended registration statement effective, the company should provide us with a letter, acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Please contact Luna Bloom at (202) 551-3194 or, in her absence, me at (202) 551-3462 with any other questions.

Sincerely,

/s/ Mark P. Shuman
