REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of

Avalon Wealth Management LLC

We have audited the accompanying financial statements of Avalon Wealth Management LLC (a Delaware limited liability company) (the "Company"), which comprise the statement of financial condition as of December 31, 2014, and the related statements of income, changes in member's equity, and cash flows for the year then ended that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements and supplemental information. The Company's management is responsible for these financial statements. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial condition of Avalon Wealth Management LLC as of December 31, 2014, and the results of its operations and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

The information contained in Schedules I – Computation of Net Capital Under Rule 15c3-1, Schedule II – Computation for Determination of Reserve Requirements Under Rule 15c3-3 (exemption), and Schedule III – Information Relating to Possession or Control Requirement Under Rule 15c-3 (exemption), collectively the "supplemental information" has been subjected to audit procedures performed in conjunction with the audit of Avalon Wealth Management LLC's financial statements. The supplemental information is the responsibility of Avalon Wealth Management LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

AVALON WEALTH MANAGEMENT LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2014

NOTE 1 - DESCRIPTION OF THE COMPANY

Nature of Operations

Avalon Wealth Management LLC (the “Company”) is a Delaware limited liability company formed on February 8, 2012, as a limited purpose noncarrying broker-dealer. The Company completed its registration with the Securities Exchange Commission (“SEC”) and Financial Industry Regulatory Authority (“FINRA”) on January 14, 2013. Avalon Advisors, LLC (“AA”) is the sole member of the Company. The Company is engaged in private placements of investment funds. While it did not do so in 2014, the Company is also approved to serve as principal underwriter and distributor of unlisted, continuously offered, closed-end registered investment companies (“Closed-End Funds”). The Company does not hold or maintain funds or securities or provide clearing services for other broker-dealers.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Commission Revenue

Commission revenue includes fee income, which is generally based on the value of the assets under management held by the fund sponsor. Fee revenue is calculated on a monthly or quarterly basis based on the beginning balance of all funds held during the month or quarter. These fees are recognized over the period during which the assets were held. Commission revenue also includes other fee income as noted in the placement fee agreements. These fees are computed in accordance with the underlying sponsors’ placement fee agreements.

Cash and Cash Equivalents

The Company considers cash and cash equivalents to include all time deposits, certificates of deposit, and all highly liquid investments with original maturities of three months or less.

Accounts Receivable

Receivables for fees are shown net of allowances and are written off when they are determined to be uncollectible. An allowance for doubtful accounts is estimated through an analysis of the aging of receivables, assessments of collectibility based on historical trends and other qualitative and quantitative factors, including the Company’s relationship with the fund sponsor, the financial health of the fund sponsor, current economic conditions, and whether the account is closed or active. No allowance was considered necessary by management at December 31, 2014.

Income Taxes

The Company’s taxable earnings are included in the federal income tax return of AA; therefore, any taxable earnings are passed through to AA’s members and taxed depending on their individual tax situations. Accordingly, there is no provision for federal income taxes in the accompanying financial statements. The State of Texas has a gross margin tax that applies to the Company and is included in the consolidated state return filed by AA. State income taxes are calculated as if the companies filed on a separate return basis, and the amount of current tax is remitted to AA.

AVALON WEALTH MANAGEMENT LLC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2014

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements. The Company is subject to income tax examinations by the U.S. federal or state tax authorities for the tax years from 2012 through 2014. The Company reports tax-related interest and penalties in the provision for state income taxes. There were no tax-related interest and penalties in 2014.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management believes that these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

Recent Accounting Pronouncement

In May 2014, the FASB issued Accounting Standards Update 2014-09 ("ASU 2014-09"), *Revenue from Contracts with Customers* (Topic 606). ASU 2014-09 supersedes the revenue recognition requirements in Topic 605, *Revenue Recognition*, and most industry-specific guidance throughout the Industry Topics of the Codification. ASU 2014-09 is effective for annual reporting periods beginning after December 15, 2017, and interim periods within annual periods beginning after December 15, 2018. The Company is currently evaluating the impact ASU 2014-09 will have on the Company's financial statements.

NOTE 3 - COMMITMENTS AND CONTINGENCIES

Credit Risks

At December 31, 2014, and at various times throughout the year, the Company maintained cash balances in a financial institution in excess of federally insured limits.

Concentration Risks

The Company is engaged in various trading and brokerage activities in which counterparties primarily include fund sponsors, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

At December 31, 2014, one fund sponsor represented 84% of the Company's accounts receivable balance. One fund sponsor provided 63% of all commission fee income during 2014. Management believes the Company's relationship with both fund sponsors is satisfactory.

AVALON WEALTH MANAGEMENT LLC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2014

NOTE 4 - RELATED PARTY TRANSACTIONS

During 2014, the Company incurred \$1,236,600 in expenses related to an expense sharing agreement the Company has with AA to provide personnel and administrative services on behalf of the Company. At December 31, 2014, the Company had no outstanding payable to AA for these services.

During 2014, the Company received \$1,178,552 in commission fee income from two fund sponsors that are provided advisory services by AA.

NOTE 5 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the “applicable” exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2014, the Company had net capital of \$462,276, which was \$457,276 in excess of its required net capital of \$5,000. The Company’s net capital ratio was 0.1 to 1.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Avalon Wealth Management LLC

We have reviewed management's statements, included in the accompanying Exemption Report Pursuant to SEC Rule 17a-5(d)(2), in which (1) Avalon Wealth Management LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Avalon Wealth Management LLC claimed an exemption from 17 C.F.R. §240.15c3-3: ((k)(2)(i)) (the "exemption provisions") and (2) Avalon Wealth Management LLC stated that Avalon Wealth Management LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Avalon Wealth Management LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Avalon Wealth Management LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph ((k)(2)(i)) of Rule 15c3-3 under the Securities Exchange Act of 1934.

1. Securities and Exchange Commission ("SEC") Rule 15c3-3 (17 C.F.R. §240.15c3-3), adopted by the SEC pursuant to the Securities Exchange Act of 1934, as amended, is entitled "Customer protection—reserves and custody of securities" and requires broker-dealers that carry customer funds and securities to adhere to certain custody, control and reserve requirements.
2. AWM is exempt from the provisions of Rule 15c3-3 pursuant to the exemption in paragraph (k)(2)(i) of the Rule and met the exemption provisions throughout calendar year 2014, without exception because it did not:
 - (a) Carry customer accounts of any kind;
 - (b) Receive customer funds or securities; or
 - (c) Otherwise hold funds or securities for, or owe money or securities to, customers.
