AVALON WEALTH MANAGEMENT LLC
NOTES TO FINANCIAL STATEMENTS
December 31, 2021

NOTE 1 - DESCRIPTION OF THE COMPANY

Nature of Operations

Avalon Wealth Management LLC (the “Company”) is a Delaware limited liability company formed on February 8, 2012, as a limited purpose noncarrying broker-dealer. The Company completed its registration with the Securities Exchange Commission (“SEC”) and Financial Industry Regulatory Authority (“FINRA”) on January 14, 2013. Avalon Advisors, LLC (“AA”) is the sole member of the Company. The Company is engaged in private placements of investment funds. The Company is also approved to serve as principal underwriter and distributor of unlisted, continuously offered, closed-end registered investment companies (“Closed-End Funds”). The Company does not hold or maintain funds or securities or provide clearing services for other broker-dealers.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Revenue from Contracts with Customers

Revenue is measured and recognized based on the five-step process outlined in the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) *Revenue from Contracts with Customers* (Topic 606). Revenue is determined based on the transaction price negotiated with the investment funds and/or the fund sponsors. While the Company’s revenues are generally categorized as “placement fees,” as they relate to the activities of the broker-dealer, these fees are derived from the sub-categories of fund-related fees as described as follows:

- Placement fees which are typically based upon a percentage of the value of the investor’s committed or invested capital.
- Management fees, and incentive fee revenues, including carried interests, which are typically based upon a percentage of the value of the investor’s committed capital or net asset value in the underlying fund.

The performance obligation from placement fees is satisfied at the time an investment fund receives a commitment to invest from an investor introduced by the Company. The amount of fees received after the investment commitment is variably constrained due to factors outside of the Company’s control, including market volatility and client behavior. Revenue is recognized when it is probable that a significant reversal will not occur that is generally each month or quarter-end as the investor account balance is resolved.

The Company may incur certain costs to obtain revenue contracts with its customers. These costs are expensed over the period of time that the services are expected to be provided to the customer.

AVALON WEALTH MANAGEMENT LLC
NOTES TO FINANCIAL STATEMENTS (CONTINUED)
December 31, 2021

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

The following table presents revenues by major source for the year ended December 31, 2021:

Management Fees	\$	2,858,976
Placement Fees		137,250
Incentive Fees		2,456
Total	\$	<u>2,998,682</u>

Cash and Cash Equivalents

The Company considers cash and cash equivalents to include all time deposits, certificates of deposit, and all highly liquid investments with original maturities of three months or less.

Receivables

Receivables for fees are shown net of allowances and are written off when they are determined to be uncollectible. An allowance for doubtful accounts is estimated through an analysis of the aging of receivables, assessments of collectibility based on historical trends and other qualitative and quantitative factors, including the Company's relationship with the fund sponsor, the financial health of the fund sponsor, current economic conditions, and whether the account is closed or active. No allowance was considered necessary by management at December 31, 2021.

Income Taxes

The Company's taxable earnings are included in the federal income tax return of AA; therefore, any taxable earnings are passed through to AA's members and taxed depending on their individual tax situations. Accordingly, there is no provision for federal income taxes in the accompanying financial statements. The State of Texas has a gross margin tax that applies to the Company and is included in the consolidated state tax return filed by AA. State income taxes are calculated as if the companies filed on a separate return basis, and the amount of current tax is remitted to AA.

Management evaluated the Company's tax positions and concluded that the Company had taken no uncertain tax positions that require adjustment to the financial statements. The Company is subject to income tax examinations by the U.S. federal or state tax authorities for the tax years from 2018 through 2021. The Company reports tax-related interest and penalties in the provision for state income taxes. There were no tax-related interest or penalties in 2021.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Management believes that these estimates and assumptions provide a reasonable basis for the fair presentation of the financial statements.

NOTE 3 - COMMITMENTS AND CONTINGENCIES

Credit Risks

At December 31, 2021 and at various times throughout the year, the Company maintained cash balances in a financial institution in excess of federally insured limits.

Concentration Risks

The Company is engaged in various trading and brokerage activities in which counterparties primarily include fund sponsors, banks, and other financial institutions. In the event counterparties do not fulfill their obligations, the Company may be exposed to risk. The risk of default depends on the creditworthiness of the counterparty or issuer of the instrument. It is the Company's policy to review, as necessary, the credit standing of each counterparty.

Affiliates provided 90% of all revenue during 2021. At December 31, 2021, affiliates represent 98% of the Company's receivable balance. Management believes the Company's relationship with these affiliates is satisfactory.

NOTE 4 - RELATED-PARTY TRANSACTIONS

During 2021, the Company incurred \$1,544,436 in expenses related to an expense sharing agreement the Company has with AA to provide personnel and administrative services on behalf of the Company. At December 31, 2021, the Company had \$16,341 in payables to AA related to the reimbursement of direct expenses paid by AA on the Company's behalf. At December 31, 2021, the Company had \$13,000 in payables related to state income taxes to be remitted by AA on behalf of the Company.

During 2021, the Company received \$2,707,168 in revenue from affiliates. At December 31, 2021, the Company had \$1,572,630 in receivables from these affiliates.

NOTE 5 - NET CAPITAL REQUIREMENTS

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1). At December 31, 2021, the Company had net capital of \$424,636 which was \$419,636 in excess of its required net capital of \$5,000. The Company's net capital ratio was 0.0691 to 1.

REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Member of
Avalon Wealth Management LLC

We have reviewed management's statements, included in the accompanying Exemption Report Pursuant to SEC Rule 17a-5(d)(2), in which (1) Avalon Wealth Management LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Avalon Wealth Management LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(i) (the "exemption provisions") and (2) Avalon Wealth Management LLC stated that Avalon Wealth Management LLC met the identified exemption provisions throughout the most recent year without exception. Avalon Wealth Management LLC's management is responsible for compliance with the exemption provisions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Avalon Wealth Management LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(i) of Rule 15c3-3 under the Securities Exchange Act of 1934.

2. AWM is exempt from the provisions of Rule 15c3-3 pursuant to the exemption in paragraph (k)(2)(i) of the Rule and met the exemption provisions throughout calendar year 2021, without exception, because it did not:

3. If AWM ever comes into possession of customer funds or securities, it will continue to follow AWM's procedures and IMMEDIATELY turn them over to the Chief Compliance Officer for logging and determination of disposition, either by returning to the owner or forwarding to the appropriate party (bank, issuer, escrow account, etc.).
