To the Members
of Harken Capital Securities LLC

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Harken Capital Securities LLC as of June 30, 2019, the related statements of operations, changes in members' equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In our opinion, the financial statements present fairly, in all material respects, the financial position of Harken Capital Securities LLC as of June 30, 2019, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of Harken Capital Securities LLC's management. Our responsibility is to express an opinion on Harken Capital Securities LLC's financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Harken Capital Securities LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The supplemental information is the responsibility of Harken Capital Securities LLC's management. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with 17 C.F.R. §240.17a-5. In our opinion, the computation of aggregate indebtedness and net capital under SEC Rule 15c3-1, and computation for and information related to possession or control determination of reserve requirements for broker/dealers under SEC Rule 15c3-3 are fairly stated, in all material respects, in relation to the financial statements as a whole.

HARKEN CAPITAL SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2019

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations:

The Company was organized in the State of Massachusetts on March 8, 2012 as a limited liability company. The Company is a broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority, Inc. (FINRA). The Company carries no customer funds or securities and therefore is exempt from the reserve and possession or control requirements under Rule 15c3-3(k)(2)(i) of the Securities Exchange Act of 1934. The Company markets financial products for its clients.

Revenue Recognition:

Effective July 1, 2018 the Company adopted ASC Topic 606 Revenue from Contracts with Customers (ASC Topic 606), using the modified retrospective method applied to those contracts which were not completed by July 1, 2018. The new revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transactions price (d) allocate the transaction price to the performance obligation in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation. There was no impact on the Company's opening members' equity as revenue recognition and timing of revenue did not change as a result of adopting ASC Topic 606.

Accounts Receivable:

Accounts receivables are stated at the amount management expects to collect. Management provides for probable uncollectable amounts through a charge to earnings and a credit to an allowance based on the assessment of the current status of individual accounts. At June 30, 2019 management feels that all receivables are collectable.

Cash and Cash Equivalents:

For purposes of the statement of cash flows, the Company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

NOTE 1- SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Income Taxes:

The Company does not record a provision for income taxes because the partners report their share of the partnership's income or loss on their income tax returns. The financial statements reflect the partnership's transactions without adjustment, if any, required for income tax purposes.

Use of Estimates:

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates

NOTE 2 – NET CAPITAL REQUIREMENTS

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital, and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 (and the rule of the "applicable" exchange also provides that equity capital may not be withdrawn if the resulting net capital ratio would exceed 10 to 1). At June 30, 2019, the Company had net capital of \$13,838, which was \$8,838 in excess of its required net capital of \$5,000. The Company's aggregate indebtedness to net capital ratio was .18 to 1.

NOTE 3 – RELATED PARTY TRANSACTIONS

The Company rents office space from its owners on a tenant at will basis. The Company paid them \$6,432 for the fiscal year ending June 30, 2019.

Since these are related party transactions, operating results could differ if the entities were autonomous.

HARKEN CAPITAL SECURITIES LLC
NOTES TO FINANCIAL STATEMENTS, CONTINUED
JUNE 30, 2019

NOTE 4 – CONCENTRATION OF CREDIT RISK

Cash held in banks sometimes exceeds the Federal Deposit Insurance Corporation's (FDIC) insurance coverage of \$250,000, and as a result there may be a concentration of credit risk related to the amount in excess of FDIC insurance coverage.

The Company has one customer which represents 49% of accounts receivable at June 30, 2019. The Company has another customer which represents 36% of revenue for fiscal year 2019.

NOTE 5 – SUBSEQUENT EVENTS

Management has evaluated subsequent events through August 22, 2019, the date on which the financial statements were available to be issued. There were no subsequent events that require adjustment or disclosure in the financial statements.
