Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

Form S-1 filed May 3, 2019

General

1. You state that the 13,000,000 shares of common stock registered for resale represent 31.62% of your common stock at May 2, 2019. Please provide your analysis that the number of shares registered is one-third or less of your presently outstanding shares held by non-affiliates. In this regard, we note the number of shares held by your sole officer and director reflected in the beneficial ownership table. Alternatively, reduce the amount of shares that you are registering under the equity line financing to an amount no more than one-third of your presently outstanding shares held by non-affiliates.
