About E C Consulting International, Inc., page 4

2. We note your response to comment 9 of our letter dated August 24, 2012 and we reissue our prior comment. We note that you were founded in 2000 but not incorporated until 2010. Please revise your summary to discuss briefly your historical and current operations and provide additional detail in your business section.

The Offering, page 4

3. We note your response to comment 10 of our letter dated August 24, 2012 and we reissue our prior comment. Your disclosure states that the company reserves the right to begin using the proceeds as soon as the funds have been received but also states that all subscription funds will be held in a noninterest-bearing account pending the completion of the offering. Please revise your disclosure to clearly state when the funds will be released from escrow. If the company is able to use the funds as soon as they are received, please also revise your disclosure to indicate the purpose of the escrow.

Use of Proceeds, page 16

4. We reissue comment 11 of our letter dated August 24, 2012. We note you indicate that you will apply the proceeds from the offering to pay accounting fees, legal and professional fees associated with the offering. As your disclosure on page 10 indicates that your offering proceeds will not cover your offering costs, please revise to clarify in this section that the offering proceeds will not cover offering costs. Please also revise to include the approximate amount of net proceeds intended to be used for each purpose. Please refer to Item 504 of Regulation S-K.

Operations, page 22

5. We note your response to comment 13 of our letter dated August 24, 2012 in which you have revised your disclosure to identify companies that you have conducted seminars for. We reissue our prior comment in part. Please revise your disclosure to provide more specific details regarding your revenues, including the services performed and the fees received from each client.
6. In addition, on page 23, your disclosure still refers to your one customer. Please revise to identify this one customer, add a risk factor regarding your dependence on such customer and explain to us why you have provided a list of extensive customers on page 27. Please also consider removing any customers from whom you no longer receive revenues.
7. We note your response to comment 14 of our letter dated August 24, 2012 in which you indicate that you did not incur any outside legal or accounting costs during the period ended March 31, 2012. We note that PMB Helin Donovan, LLP audited your financial statements for the period ended March 31, 2012. We therefore reissue our prior comment. Please tell us why your Operating Expenses in the Table on page 22 do not include legal or accounting costs for 2012, or revise.

9. We note that your operations are based in Switzerland. Please expand your disclosure to discuss the regulations applicable to companies based in Switzerland. Further, please discuss the impact these regulations may have on investors.
10. It appears that your principal shareholders and executive officers are not residents of the United States and it also appears that your current business is administered principally outside the United States. Please provide us an analysis as to whether you are a "foreign private issuer" under Rule 405 of the Securities Act of 1933.

Please revise to describe the business experience of Dr. and Mrs. Gehret during the past five years including each person's principal occupation and employment during the past five years, the name and principal business of any organization in which such occupations and employment were carried on, and whether such organization is an affiliate of the registrant. For example purposes only, we note you indicate that Dr. Gehret used sole proprietorship entities for training programs until July 2010. Please revise to identify these entities. Please refer to Item 401(e) of Regulation S-K.

We note you indicate in your Summary Executive Compensation Table that Dr. Gehret received "other compensation" of \$44,942 and \$73,638 in 2011 and 2012, respectively. Please revise your narrative to the Table to disclose why you have included these amounts in the "All Other Compensation" column and not in the "Salary" column, or revise. In the narrative following the Table, please also revise your disclosure to discuss the details of the "other compensation" granted to Dr. Gehret, including how the amounts were determined. Please revise to clarify what you mean by “in exchange for the business of ECC.” Please also revise to provide greater details as to the costs incurred and the services provided by Dr. and Mrs. Gehret.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Act of 1933 and all applicable Securities Act rules require. Since the company and its management are in possession of all facts relating to a company’s disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event you request acceleration of the effective date of the pending registration statement please provide a written statement from the company acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Please refer to Rules 460 and 461 regarding requests for acceleration. We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statement. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.
