**EUROLINK SECURITIES LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023**

**NOTE 1-NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Business:** Eurolink Securities LLC (the "Company") was organized as a New York Limited Liability Company in October 2012. The Company became an independent registered broker-dealer and a member of the Financial Industry Regulatory Authority ("FINRA") effective January 2014. The Company's business is to act as an investment banker in private placement transactions and mergers and acquisitions, and to sell research.

**Income Taxes:** The Company has elected to be a Limited Liability Company that is taxed as a sole proprietorship under Internal Revenue Code regulations. Therefore, the income or losses of the Company flow through to and are taxable to its owner and no liability for income taxes is reflected in the accompanying financial statements.

The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under ASC 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity's status, including its status as a pass-through entity, and the decision not to file a tax return. The Company has evaluated each of its tax positions and has determined that it has no uncertain tax positions. The Company is no longer subject to U.S. federal and state income tax examinations by tax authorities for years before 2020.

**Estimates:** The preparation of financial statements in accordance with generally accepted accounting principles requires the use of estimates in determining assets, liabilities, revenues and expenses. Actual results may differ from these estimates.

**Cash and Cash Equivalents:** The Company maintains its bank accounts at a high credit quality bank in the United States. Balances, at times may exceed federally insured limits. Generally, these deposits may be redeemed upon demand and, therefore, bear minimal risk. The Company considers deposits with maturities of ninety-days or less to be cash and cash equivalents.

**Basis of Accounting:** The Company maintains its books and records on the accrual basis of accounting for financial reporting purposes, which is in accordance with U.S. generally accepted accounting principles and as required by the SEC and FINRA.

**EUROLINK SECURITIES LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023**

NOTE 1 - NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

**Accounts Receivable:** Accounts receivable consist of trade receivables for investment banking and advisory services. The Company regularly reviews its accounts receivable for any bad debts. The review for bad debts is based on an analysis of the Company's collection experience, customer worthiness, and current economic trends. The Company believes all receivables are collectible and no allowance is needed.

**Subsequent Events:** Subsequent events were evaluated through March 15, 2024, which is the date the financial statements were issued. The Company did not identify any material subsequent events requiring adjustments on disclosure to those financial statements.

**Revenue Recognition:** On January 1, 2018, the Company adopted ASU 2014-09 *Revenue from Contracts with Customers* and all subsequent amendments to the ASU (collectively, "ASC 606"), which creates a single framework for recognizing revenue from contracts with customers that fall within its scope.

Revenue is measured based on a consideration specified in a contract with a customer. The Company recognizes revenue when it satisfies a performance obligation by transferring control over goods or service to a customer. Services within the scope of ASC 606 include investment banking, merger and acquisition (M&A) services and research.

Investment banking, M&A services include agreements to provide advisory services to customers for which they charge the customers fees. The Company provides advisory services / corporate finance activity including mergers and acquisitions, reorganizations, tender offers, leveraged buyouts, fundraising activity and the pricing of securities to be issued.

The agreement contains nonrefundable retainer fees or success fees, which may be fixed or represent a percentage of value that the customer receives if and when the corporate finance activity is completed ("success fees"). In some cases, there is also an "announcement fee" that is calculated on the date a transaction is announced based on the price included in the underlying sale agreement. The retainer fees, announcement fee, or other milestone fees reduce any success fee subsequently invoiced and received upon the completion of the corporate finance activity. The Company has evaluated its nonrefundable retainer payments, to ensure its fee relates to the transfer of a good or service, as a direct distinct performance obligation, in exchange for the retainer. If a promised good or service is not distinct, the Company combines that good or service with other promised goods or services until it identifies a bundle of goods or services that is distinct.

Payment for the majority of our research services is considered to be variable consideration, as the amount of revenues we expect to receive is subject to factors outside of our control, including market conditions. Variable consideration is only included in revenue when amounts are not subject to significant reversal, which is generally when uncertainty around the amount of revenue to be received is resolved. Revenue from research services is recognized as the research is reported as used by the client.

**EUROLINK SECURITIES LLC**  
**NOTES TO FINANCIAL STATEMENTS**  
**December 31, 2023**

**NOTE 2 -NET CAPITAL REQUIREMENTS**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2023, the Company had net capital of \$49,091, which was \$44,091 more than its required net capital of \$5,000 and the ratio of aggregate indebtedness to net capital was .5153 to 1.0.

**NOTE 3-RELATED PARTY TRANSACTIONS**

The Company's office is co-located with a company related by common ownership (the "affiliated company") which share limited administrative expenses which are defined, along with the expense allocation methodology to be used, in an expense sharing agreement.

The Company leases its office space under an operating lease with a month-to-month term from its affiliated company. Rent expense under this lease was \$17,640 for the year ended December 31, 2023.

**NOTE 4-CONCENTRATION**

The top three customers comprised approximately 52% of revenue for the year 2023.

**NOTE 5-CONTINGENCIES AND CLAIMS**

The Company does not have any commitments, guarantees, or contingencies, including arbitration or other litigation claims that may result in a loss or future obligation.

**NOTE 6-FUTURE ACCOUNTING PRONOUNCEMENT**

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842). The new standard establishes a right-of-use ("ROU") model that requires a lessee to record a ROU asset and a lease liability on the balance sheet for all leases with terms longer than 12 months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the income statement. The new standard is effective for fiscal years beginning after December 15, 2018, including interim periods within those fiscal years. A modified retrospective transition approach is required for lessees for capital and operating leases existing at, or entered into after, the beginning of the earliest comparative period presented in the financial statements, with certain practical expedients available. The standard was effective for us on January 1, 2019. The Company does not have any leases which meet the criteria and therefore no impact was noted to the financial statements as of December 31, 2022.

Other accounting standards that have been issued or proposed by the FASB or other standards-setting bodies that do not require adoption until a future date are not expected to have a material impact on the Company's financial statements upon adoption.

To the Board of Directors and Shareholders  
of Eurolink Securities LLC

We have reviewed management's statements, included in the accompanying Rule 15c3-3 Exemption Report pursuant to SEC Rule 17a-5, in which (1) Eurolink Securities LLC (the Company) did not claim an exemption under paragraph (k) of 17 C.F.R. §240.15c3-3, and (2) the Company is filing this Exemption Report relying on Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 because the Company limits its business activities exclusively to private placements of securities and other – commission sharing, distribution of third party research. In addition, the Company did not directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, other than money or other consideration received and promptly transmitted in compliance with paragraph (a) or (b)(2) of Rule 15c2-4 and/or funds received and promptly transmitted for effecting transactions via subscriptions on a subscription way basis where the funds are payable to the issuer or its agent and not to the Company; did not carry accounts of or for customers; and did not carry PAB accounts (as defined in Rule 15c3-3) throughout the most recent fiscal year without exception.

Eurolink Securities LLC's management is responsible for compliance with the provisions contemplated by Footnote 74 of SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5 and related SEC Staff Frequently Asked Questions and its statements.

Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Eurolink Securities LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based upon the Company's business activities contemplated by Footnote 74 of the SEC Release No. 34-70073 adopting amendments to 17 C.F.R. § 240.17a-5, and related SEC Staff Frequently Asked Questions.
