Nature of Business: Tuxedo Capital Partners LLC (“The Company”) was organized as a Georgia Limited Liability Company in July 2013. The Company became an independent registered broker-dealer and a member of the Financial Industry Regulatory Authority effective March 2014. The Company’s business is to act as an investment broker in private placement transactions and mergers and acquisitions.

Cash and Cash Equivalents: The Company considers all cash and money market instruments with a maturity of ninety days or less to be cash and cash equivalents.

Income Taxes: The Company has elected to be a Limited Liability Company that is taxed as a Schedule C on its Members’ tax return under Internal Revenue Code regulations. The Company has adopted the provisions of FASB Accounting Standards Codification 740-10, Accounting for Uncertainty in Income Taxes. Under ASC 740-10, the Company is required to evaluate each of its tax positions to determine if they are more likely than not to be sustained if the taxing authority examines the respective position. A tax position includes an entity’s status, including its status as a pass-through entity, and the decision not to file a tax return. The Company has evaluated each of its tax positions and has determined that no provision or liability for income taxes is necessary. The Company has no uncertain tax positions.

Estimates: The preparation of financial statements in accordance with generally accepted accounting principles requires the use of estimates in determining assets, liabilities, revenues and expenses. Actual results may differ from these estimates.

NOTE 1 – NATURE OF BUSINESS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

contributions by the member during the year include forgiven debt related to this agreement of \$9,846 and \$6000 of other amounts payable to the member.

NOTE 2 – NET CAPITAL REQUIREMENTS

The Company, as a registered broker dealer, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. At December 31, 2020, the Company had net capital of \$8,304 which was \$3304 in excess of its required net capital of \$5,000 and the ratio of aggregate indebtedness to net capital was 0.31 to 1.0.

NOTE 3 – CONCENTRATIONS

There was no revenue in 2020.

NOTE 4 – REVENUE FROM CONTRACTS WITH CUSTOMERS

Investment Banking M&A Advisory Fees:

These services include agreements to provide advisory services to customers for which they charge the customers fees. The Company provides advisory services/corporate finance activity including mergers and acquisitions, reorganizations, tender offers, leveraged buyouts, fundraising activity and the pricing of securities to be issued.

The agreement contains nonrefundable retainer fees or success fees, which may be fixed or represent a percentage of value that the customer receives if and when the corporate finance activity is completed ("success fees"). In some cases, there is also an "announcement fee" that is calculated on the date that a transaction is announced based on the price included in the underlying sale agreement. The retainer fees, announcement fee, or other milestone fees reduce any success fee subsequently invoiced and received upon the completion of the corporate finance activity. The Company has evaluated its nonrefundable retainer payments, to ensure its fee relates to the transfer of a good or service, as a distinct performance obligation, in exchange for the retainer. If a promised good or service is not distinct, the Company combines that good or service with other promised goods or services until it identifies a bundle of goods or services that is distinct. In some cases, that would result in the broker-dealer accounting for all the services promised in a contract as a single performance obligation and the retainer revenue is classified as deferred revenue on the Statement of Financial Condition. The Company had \$1,099 in revenue in 2019.

December 31, 2020

NOTE 5 – BASIS OF ACCOUNTING

NOTE 6 – GOING CONCERN

The managing member will continue to fund Company operations for the foreseeable future until such time as the Company has revenue and can sustain itself. This is projected to be within the next 24 months.

To the Board of Directors and Members
of Tuxedo Capital Partners, LLC

We have reviewed management's statements, included in the accompanying Exemption Report for year ended December 31, 2020, in which (1) Tuxedo Capital Partners, LLC identified the following provisions of 17 C.F.R. §15c3-3(k) under which Tuxedo Capital Partners, LLC claimed an exemption from 17 C.F.R. §240.15c3-3: (k)(2)(ii) (exemption provisions) and (2) Tuxedo Capital Partners, LLC stated that Tuxedo Capital Partners, LLC met the identified exemption provisions throughout the most recent fiscal year without exception. Our review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and, accordingly, included inquiries and other required procedures to obtain evidence about Tuxedo Capital Partners, LLC's compliance with the exemption provisions. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, we do not express such an opinion.

Based on our review, we are not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934.
