1. ORGANIZATION

Evergreen Advisors Capital, LLC (the “Company”) is a broker-dealer registered with the Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”). The Company is a wholly owned subsidiary of Evergreen Advisors (The “Parent”). The Company was formed on June 18, 2012 as a limited liability company in accordance with the laws of the state of Maryland.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting policies and reporting practices of the Company conform to the practices in the broker-dealer industry and are in accordance with accounting principles generally accepted in the United States of America.

Government and Other Regulation

The Company’s business is subject to significant regulation by various governmental agencies and self-regulatory organizations, including the SEC and FINRA. Such regulation includes, among other things, periodic examinations by these regulatory bodies to determine whether the Company is conducting and reporting its operations in accordance with the applicable requirements of these organizations. As a registered broker dealer, the Company is subject to the SEC’s net capital rules (Rule 15c3-1), which require that the Company maintain a minimum net capital, as defined. The Company will operate in accordance with the exemptive provisions of paragraph (k) (2) (i) of SEC Rule 15c3-3.

Cash and Cash Equivalents

The Company considers all highly liquid debt instruments having original maturities of three months or less at the date of purchase to be cash equivalents. The Company may, during the ordinary course of business, maintain account balances with banks in excess of federally insured limits. 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Accounts Receivable

Accounts receivable are stated net of allowances for doubtful accounts of \$9,000 at December 31, 2020. The allowance is estimated from historical performance and projection of trends. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at December 31, 2020 and revenues and expenses during the year then ended. The actual outcome of the estimates could differ from the estimates made in the preparation of the statements.

Income Taxes

The Company recognizes and measures tax positions taken or expected to be taken in its tax return based on their technical merit and assesses the likelihood that the positions will be sustained upon examination based on the facts, circumstances and information available at the end of each period. Interest and penalties on tax liabilities, if any, would be recorded in expenses.

The U.S. Federal jurisdiction and the state of Maryland are the major tax jurisdictions where the Company files income tax returns. The Company is subject to U.S. Federal or state examinations by tax authorities for all periods since its inception.
