**Re: Powerstorm Capital Corp.
Amendment No. 3 to Registration Statement on Form S-1
Filed April 1, 2013
File No. 333-184363**

Dear Ms. Pruteanu:

We have reviewed your registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

General

1. We note your disclosure that as of April 1, 2013 you had 19,363,800 shares of common stock outstanding. The number of shares outstanding appears to reconcile with your disclosure in Note 8 to your financial statements on page F-10. However, your disclosure on page F-10 does not appear to reconcile with your disclosure pursuant to Rule 701 of Regulation S-K in Item 15. For example, we note that on page F-10 you disclose that you have issued 51,000 shares of common stock to third-party providers for legal and consulting services. In Item 15, however, you only disclose 30,000 shares issued to your legal advisors in 2011. This is only one example of the inconsistencies in your disclosure. Please reconcile your disclosure in Item 15 and Note 8 to your financial statements. As noted in Rule 701, your disclosure in Item 15 should cover all securities sold by you within the past three years which were not registered, including securities issues in exchange for property or services.
