We have audited the accompanying statement of financial condition of Cedarbridge Securities LLC as of December 31, 2016, and the related notes to the financial statements. This financial statement is the responsibility of Cedarbridge Securities LLC's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of financial condition is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of financial position. Notes to Financial Statements
December 31, 2016

NOTE 1: Nature of Business

Organization

Cedarbridge Securities LLC (The "Company") is a Delaware limited liability company located in Manhattan, New York. The Company is a registered broker-dealer with the Securities and Exchange Commission ("SEC"), and a member of the Financial Industry Regulatory Authority ("FINRA"), effective August 29, 2013.

The Company also maintains an office in New Jersey.

NOTE 2: Significant Accounting Policies

Basis of Presentation

The Company maintains its books and records and prepares its financial statements on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management of the Company to make estimates and assumptions that affect certain reported amounts and disclosures. Management believes that the estimates utilized in preparing its financial statements are reasonable and prudent; however, actual results could differ from those estimates.

Cash and Cash Equivalents

All unrestricted highly liquid investments with initial or remaining maturities of less than 90 days at the time of purchase are considered cash and cash equivalents. The Company's cash is held by major financial institutions. At times, such amount may exceed the Federal Deposit Insurance Corporation ("FDIC") limit of \$250,000. At December 31, 2015, the Company did not exceed the limit. At December 31, 2016, the Company did not have any cash equivalents.

NOTE 2: Significant Accounting Policies (cont.)

Income Taxes

The company operates as a limited liability company for tax purposes and files as a partnership. All income and losses are reported by the members on the partnership tax return. Therefore, all income taxes are the responsibility of the members based on their percentages according to the operating agreement.

Income taxes are accounted for under Accounting Standards Codification ("ASC") 740, *Income Taxes*, ("ASC 740"). Deferred tax assets and liabilities are recognized for the future tax consequences attributable to differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax bases. Deferred tax assets and liabilities are measured using enacted rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred tax assets and liabilities of a change in tax rates is recognized in income in the period that includes the enactment date. To the extent that it is more likely than not that deferred tax assets will not be recognized, a valuation allowance would be established to offset their benefit.

Fair Value of Financial Instruments

The Company estimates that the fair value of financial instruments recognized on the statement of financial condition approximates their carrying value, as such financial instruments are short term in nature. Other assets and liabilities with short and intermediate-term maturities and defined settlement amounts, including receivables, payables, and accrued expenses are reported at their contractual amounts, which approximate fair value.

NOTE 3: Regulatory requirements

The Company, as a registered broker-dealer in securities, is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c-3-1). The Company has elected to operate under that portion of the Rule which requires that the Company maintain "net capital" equal to the greater of \$5,000 or 6 2/3% of "aggregate indebtedness," as those terms are defined in the Rule. At December 31, 2016, the Company had net capital of \$95,525, which was \$90,525 in excess of regulatory requirement net capital of \$5,000. At December 31, 2016, the Company had a net capital ratio was 0.00 to 1.

NOTE 4: Commitment and Contingencies

<u>Year</u>	<u>Rent expense</u>
2017	\$ 24,000
