Strike called at Driefontein by AMCU, suspended pending Labour Court ruling.

Westonaria, 23 January 2014: Sibanye Gold (JSE: SGL & NYSE: SBGL) advises stakeholders that the Labour Court has postponed for 10 days, judgment on the interdict application brought by the Chamber of Mines and some of its members, including Sibanye Gold, against the strike notice issued by the Association of Mineworkers and Construction Union (AMCU) on Monday 20 January 2014.

Furthermore, the Labour Court has prohibited AMCU from engaging in or promoting a strike, pending judgment on 30 January 2014.

Attendance at all Sibanye Gold's operations was normal this morning.

It is unfortunate however that there were two operational incidents at the Driefontein Operations on 22 January 2014. In the first incident, employees at Driefontein's Hlanganani (number 5) shaft were apprehended sabotaging a rail line, which resulted in tramming equipment being derailed. In a separate incident, a fire broke out at one of the more marginal, low grade shafts, necessitating the withdrawal of operating crews from the area. We have suspended crews in the affected areas pending the outcome of further investigations.

Should sabotage be proven, appropriate disciplinary action will be taken and if the perpetrators are found to be members of a union or association, we will not hesitate to claim for damages and losses from that union or association, as these are illegal strike activities.
