To the Member's and Board of Members' of Bardi Co., LLC

**Opinion on the Financial Statements**

I have audited the accompanying statement of financial condition of Bardi Co., LLC as of December 31, 2023, the related statements of income, changes in member's equity, and cash flows for the year then ended, and the related notes (collectively referred to as the financial statements). In my opinion, the financial statements present fairly, in all material respects, the financial position of Bardi Co., LLC as of December 31, 2023, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of Bardi Co., LLC's management. My responsibility is to express an opinion on Bardi Co., LLC's financial statements based on my audit. I am a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and am required to be independent with respect to Bardi Co., LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

I conducted my audit in accordance with the standards of the PCAOB. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. My audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. My audit also included evaluating the accounting principles used and significant estimates made by management, as evaluating the overall presentation of the financial statements. I believe that my audit provides a reasonable basis for my opinion.

**Supplemental Information**

The information contained in Schedule I, II, and III ("Supplemental Information") has been subjected to audit procedures performed in conjunction with the audit of the Bardi Co., LLC's financial statements. The Supplemental Information is the responsibility of the Bardi Co., LLC's management. My audit procedures included determining whether the Supplemental Information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the Supplemental Information. In forming my opinion on the Supplemental Information, I evaluated whether the Supplemental Information, including its form and content is presented in conformity with 17 C.F.R. § 240.17a-5. In my opinion, Schedules I, II, and III are fairly stated, in all material respects, in relation to the financial statements taken as a whole.

**Bardi Co., LLC**  
**Notes to Financial Statements**  
**December 31, 2023**

**Note 1 - Organization and Nature of Business**

Bardi Co., LLC (the "Company") was formed in the State of California on September 13, 2012. The Company is a registered broker-dealer with the Securities and Exchange Commission (SEC), the Financial Industry Regulatory Authority ("FINRA") and the Securities Investor Protection Corporation ("SIPC"). The Company is also a registered investment advisory.

**Note 2 - Significant Accounting Policies**

**Basis of Presentation** - The Company conducts the following types of business as a securities broker-dealer, which comprises several classes of services, including:

- Private placements of securities;
- Investment banking;
- Investment advisory.

**Use of Estimates** - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Securities Owned** - Profit and loss arising from all securities and commodities transactions entered into for the account and risk of the Company are recorded on a trade date basis and mark to market.

Due to the nature of the Company's business, the size of any one transaction may be significant to the Company's operations for the period. From time to time, the Company is engaged with agreements that entail refundable retainers; in such cases, retainers are recognized as revenues only once the service is actually provided to the client.

**Revenue Recognition** - Investment banking fees are contingent on, and are recognized upon, the successful completion of a project. Investment banking fees are generated from services related to a limited number of transactions.

Significant accounting policy

Revenue is measured based on a consideration specified in a contract with a customer, and excludes any sales incentives and amounts collected on behalf of third parties. The Company recognizes revenue when it satisfied a performance obligation by transferring control over a product or service to a customer.

**Bardi Co., LLC**  
**Notes to Financial Statements**  
**December 31, 2023**

Nature of services

The following is a description of activities – separated by reportable segments, per FINRA Form “Supplemental Statement of Income (SSOI)”; from which the Company generates its revenue. For more detailed information about reportable segments, see below

Fees earned: This includes fees earned from affiliated entities; investment banking fees, M&A advisory; account supervision and investment advisory fees; administrative fees, revenue from research services; rebates from exchanges/ECN and ATS; 12b-1 fees; Mutual fund fees other than concessions or 12b-1 fees; execution service fees; clearing services; fees earned from customer bank sweep into FDIC insured products or from '40 Act companies and networking fees from '40 Act companies.

The Company's three top clients accounted for approximately 60% of total revenues for the year ending December 31, 2023.

**Income Taxes** - For tax purposes, the Company, with consent of its Members, has elected to be treated like a partnership, therefore in lieu of business income taxes, the Member is taxed on the Company's taxable income. Therefore, no provision or liability for Federal Income Taxes is included in these financial statements. The State of California has a similar treatment, although there exists a provision for a gross receipts tax and a minimum Franchise Tax of \$1700, plus gross receipts tax of \$116.

The accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by an organization in its tax returns that might be uncertain.

Management has considered its tax positions and believes that all of the positions taken by the Company in its Federal and State organization tax returns are more likely than not to be sustained upon examination. The Company is subject to examinations by U.S. Federal and State tax authorities from 2019 to present, generally for three years after they are filed.

**Note 3 - Fair Value**

FASB ASC 820 defines fair value, establishes a framework for measuring fair value, and establishes a fair value hierarchy, which prioritizes the inputs to valuation techniques. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. A fair value measurement assumes that the transaction to sell the asset or transfer the liability occurs in the principal market for the asset or liability or, in the absence of a principal market, the most advantageous market.

**Bardi Co., LLC**  
**Notes to Financial Statements**  
**December 31, 2023**

Valuation techniques that are consistent with the market, income or cost approach, as specified by FASB ASC 820, are used to measure fair value. The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities the Company has the ability to access;
- Level 2 inputs are inputs (other than quoted prices included within level 1) that are observable for the asset or liability, either directly or indirectly;
- Level 3 are unobservable inputs for the asset or liability and rely on management's own assumptions about the assumptions that market participants would use in pricing the asset or liability. (The unobservable inputs should be developed based on the best information available in the circumstances and may include the Company's own data).

The following table presents the Company's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis as of December 31, 2023:

**Fair Value Measurements on a Recurring Basis**  
**As of December 31, 2023**

	<b>Level 1</b>	<b>Level 2</b>	<b>Level 3</b>	<b>Total</b>
Fixed Income	\$6,626			\$6,626
Common Stock	\$106,675			\$106,675
<b>Total</b>	<b>\$113,301</b>			<b>\$113,301</b>

**Note 4-Concentration of Risk**

Amounts held in financial institutions occasionally are in excess of the Federal Deposit Insurance Corporation and Securities Investor Protection Corporation limits. The organization deposits its cash in high quality financial institutions, and management believes the organization is not exposed to significant credit risk on those amounts. More than 10% of the company's total sales came from three of its top clients, making up 60% of the total.

**Note 5-Net Capital Requirement**

The Company is subject to the SEC Uniform Net Capital Rule (SEC Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1. Rule 15c3-1 also provides that equity capital may not be withdrawn or cash dividends paid if the resulting net capital ratio would exceed 10 to 1.

**Bardi Co., LLC**  
**Notes to Financial Statements**  
**December 31, 2023**

On December 31, 2023, the Company had net capital of \$270,861, which was \$150,861 in excess of its required net capital of \$120,000. The Company's net capital ratio was 1.05.

**Note 6- Operating Lease Commitments and Contingencies**

During fiscal year 2023, the Company has leased three different office spaces in three separate locations. From January 1, 2023 through December 31, 2023 the Company leased three office spaces for approximately \$3,780 every month, while maintaining a virtual address at Regus in downtown Fort Lauderdale, Florida for \$87 a month.

Management has reviewed ASC 842 Lease Accounting and does not believe that it is applicable to the Company because one office space at Metro 417, is on a month-to-month basis, one with Bozzuto will expire at the end of May, 2024, and the one with Regus will expire at the end of June 2024.

At December 31, 2023, future minimum lease payments under these agreements were as follows:

For the Year Ending December 31, 2024: \$14,055.

Rent expense for the year ended December 31, 2023 was \$29,900.

The Company was not subject to any litigation during or at year ended December 31, 2023.

**Note 7 – Unearned Revenues**

In 2023, the Company recorded deferred revenues for a total of \$77,981 as related to six clients. The Company anticipates that such revenues will be recognized in full during fiscal year 2023.

**Note 8 – SBA Loan**

On June 26, 2020, the Company took a 30-year SBA loan in the net aggregate amount of 107,000 for an interest rate of 3.75%. On January 2023, the amount was subsequently increased by \$93,000 for a total of \$200,000. Payments are made in monthly installments of \$970, which include both principal and interest.

**Note 9 - Subsequent Events**

The management has reviewed the results of operations for the period from its year end December 31, 2024 through February 7, 2024, the date the financial statements were available to be issued, and have determined that no adjustments are necessary to the amounts reported in the accompanying financial statements nor have any subsequent events occurred, the nature of which would require disclosure.

**Bardi Co., LLC**  
**Notes to Financial Statements**

**REPORT OF INDEPENDENT REGISTERED PUBLIC  
ACCOUNTING FIRM**

Board of Members'

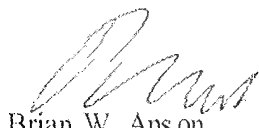

Bardi Co. LLC

Los Angeles, California

I have reviewed management's statements, included in the accompanying SEC Rule 15c3-3 Exemption Report in which Bardi Co., LLC, stated that Bardi Co., LLC's, business activities are limited to private placement of securities and mergers and acquisitions advisory services, and that it has not held customer funds or securities and that Bardi Co., LLC is classified as "non-covered" pursuant to footnote 74 to SEC Release 34-70073, dated July 30, 2013, and as discussed in Q & A 6 of the related FAQ issued by SEC state on April 4, 2014. Bardi Co., LLC also stated that it had maintained compliance with the above declaration throughout the most recent year ended December 31, 2023, without exception. Bardi Co., LLC's management is responsible for compliance and is not subject to the provisions set forth in Rule 15c3-3 under the Securities and Exchange Act of 1934 and its statements.

My review was conducted in accordance with the standards of the Public Company Accounting Oversight Board (United States) and accordingly, included inquiries and other required procedures to obtain evidence about Bardi Co., LLC's declaration concerning the provisions set forth in Rule 15c3-3 under the Securities Exchange Act of 1934. A review is substantially less in scope than an examination, the objective of which is the expression of an opinion on management's statements. Accordingly, I do not express such an opinion.

Based on my review, I am not aware of any material modifications that should be made to management's statements referred to above for them to be fairly stated, in all material respects, based on the provisions set forth in Footnote 74 to SEC Release 34-70073.

I, as member of the management of Bardi Co. LLC (the “Company”) am responsible for the compliance with the annual reporting requirement under Rule 17a-5 of the Securities Exchange Act of 1934. Those requirements compel a broker or a dealer to file annual reports with the SEC and the broker’s or dealer’s designed examining authority. One of the reports to be included in the annual filing is an exemption report prepared by an independent registered public accounting firm, based upon a review of the assertions provided by the broker or dealer. Pursuant to that requirement, the management of the company hereby makes the following assertions:

The Company is non covered firm pursuant to Footnote 74 to SEC Release 34-70073 and is therefore no subject to the SEA Rule 15c3-3 for the most recent fiscal year ended December 31, 2023. The Company has maintained compliance with the above throughout the year ended December 31, 2023, without exception. As such, under its membership agreement with FINRA and pursuant to Rule 15c3-3, the Company conducts business on a fully disclosed basis and does not execute or clear securities transactions for customers.

Sincerely,

Chris Manfre
