**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

To the Sole Member of Three Ocean Securities LLC:

Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of Three Ocean Securities, LLC (the “Company”), as of December 31, 2019, and the related statements of income, changes in member’s equity, and cash flows for the year then ended, that are filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934, and the related notes to the financial statements, schedule of computation of net capital under SEC Rule 15c3-a, and statement of changes in liabilities subordinated to claims of general creditors, collectively referred to as the financial statements. In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2019, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

These financial statements are the responsibility of the Company’s management. Our responsibility is to express an opinion on the Company’s financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (“PCAOB”) and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. The Company is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting. As part of our audit we are required to obtain an understanding of internal control over financial reporting, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control over financial reporting. Accordingly, we express no such opinion.

Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

Supplemental Information

The Schedule of Computation of Net Capital and Statement of Changes in Liabilities Subordinated to Claims of General Creditors has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplemental information is the responsibility of management of the Company. Our audit procedures included determining whether the supplemental information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental information. In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including its form and content, is presented in conformity with Rule 17a-5 of the Securities Exchange Act of 1934. In our opinion, the supplemental information is fairly stated, in all material respects, in relation to the financial statements as a whole.

We have served as the Company's auditor since 2014.

THREE OCEAN SECURITIES LLC
Notes to Financial Statements
December 31, 2019

(1) **Organization and Operation**

Three Ocean Securities LLC (“the Company”), is a Delaware Limited Liability Company formed on July 22, 2011. The Company is a broker-dealer in securities registered with the Securities and Exchange Commission (SEC) as of September 24, 2013 and is a member of the Financial Industry Regulatory Authority (FINRA). The Company was originally formed under the name Three Ocean Partners Advisors LLC but changed its name as of April 10, 2014 to Three Ocean Securities LLC.

(2) **Summary of Significant Accounting Policies**

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting.

Revenue Recognition

Revenue from contracts with customers includes advisory services on mergers and acquisitions (M&A). In accordance with ASU No. 2014-09, “Revenue from Contract with Customers”, the recognition and measurement of revenue is based on the assessment of individual contract terms. Significant judgment is required to determine whether performance obligations are satisfied at a point in time or over time; how to allocate transaction prices where multiple performance obligations are identified; when to recognize revenue based on the appropriate measure of the Company’s progress under the contract; and whether constraints on variable consideration should be applied due to uncertain future events.

Revenue for M&A advisory arrangements is generally recognized at the point in time that performance under the arrangement is completed, generally the closing date of the transaction.

THREE OCEAN SECURITIES LLC
Notes to Financial Statements (continued)
December 31, 2019

Leases

In February 2016, the FASB issued (ASU) 2016-02, “Leases (Topic 842)”. This update includes a lease accounting model that recognizes two types of leases – finance leases and operating leases. The standard requires that a lessee recognize on the statement of financial condition relating to leases with terms of more than twelve months. The recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee will depend on its classification as a finance or operating lease.

Right of use assets (“ROU”) represent our right to use an underlying asset for the lease term and lease liabilities represent our obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of lease payments over the lease term. As most of our leases do not provide implicit rate, we use our incremental borrowing rate based on the information available a commencement date in determining the present value of the lease payments. We use the implicit rate when readily determinable. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The Company’s lease terms may include options to extend or terminate the lease when it is reasonably certain that we will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The above had no significant effect on these financial statements for the year ending December 31, 2019 as there were no leases with terms in excess of 12 months.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(2) **Summary of Significant Accounting Policies (continued)**

Income Taxes

In as much as the Company has a single member, it is treated as a disregarded entity for income tax purposes. Consequently, income taxes are not payable by or provided for, the Company. The member is taxed directly on the Company's earnings.

The Company adopted the authoritative guidance for uncertainty in income taxes included in ASC 740, *Income Taxes* (formerly F ASB Interpretation No. 48), as amended by Accounting Standards Update ("ASU") 2009-6, *Implementation Guidance on Accounting for Uncertainty in Taxes and Disclosures Amendments for Nonpublic Entities*. This guidance requires the Company to determine whether a tax position of the Company is more likely than not to be sustained upon examination by the applicable taxing authority, including the resolution of any related appeals or litigation processes, based on the technical merits of the position. The Company determined there are no uncertain tax positions that require financial statement recognition. The Company's tax returns remain open for examination by tax authorities for a period of three years from when they are filed; the 2016, 2017, and 2018 tax returns are currently open for examination.

Allocation of Income and Losses

The net income of the Company for the year is allocated to the members in accordance with their capital interest.

(3) **Net Capital Requirement**

Pursuant to the net capital provisions of Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain a minimum net capital and a prescribed ratio of aggregate indebtedness to net capital, as defined under such provisions. Net capital and the related net capital ratio may fluctuate on a daily basis.

At December 31, 2019, the Company had net capital of approximately \$33,978 which was \$28,978 in excess of its net capital requirement of \$5,000. The Company's ratio of aggregate indebtedness to net capital was 2 to 1. The Securities and Exchange Commission permits a ratio of no greater than 15 to 1.

THREE OCEAN SECURITIES LLC
Notes to Financial Statements (continued)
December 31, 2019

The Company has executed an Office and Administrative Services Agreement (the "Agreement"), with its sole member. Under this Agreement the Company utilizes certain office facilities and administrative services of the sole member in exchange for compensation. Compensation for 2019 totaled \$71,148. The total is reflected in the Statement of Income in the categories for which the utilization of services relates.

(5) **Subsequent Events**

For purposes of disclosure in the financial statements, the Company has evaluated subsequent events through February 26, 2020, the date which the financial statements were available to be issued and noted no items requiring future disclosure.
