Form 10-K for the Year Ended June 30, 2021

General

1. We note that a majority of your research and development is conducted through your facilities based in Ukraine and your suppliers' facilities located in Belarus, Ukraine, and Russia. If material, under a Form 8-K, please describe the impact of Russia's invasion of the Ukraine on your business. In addition to the general impact, please also consider the impact on your supply chain based in Belarus, Ukraine and Russia, any impact from sanctions and export controls, and whether you will need to evaluate any aspects of your business for impairment. If the impact is not considered to be material, please tell us why.

In closing, we remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.
