Dear Ms. Shmarihina:

We have reviewed your registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments.

General

1. Please supplementally provide us with copies of all written communications, as defined in Rule 405 under the Securities Act, that you, or anyone authorized to do so on your behalf, present to potential investors in reliance on Section 5(d) of the Securities Act, whether or not they retain copies of the communications. Similarly, please supplementally provide us with any research reports about you that are published or distributed in reliance upon Section 2(a)(3) of the Securities Act of 1933 added by Section 105(a) of the Jumpstart Our Business Startups Act by any broker or dealer that is participating or will participate in your offering.
2. Please provide us with copies of any graphics, maps, photographs, and related captions or other artwork including logos that you intend to use in the prospectus. Such graphics and

pictorial representations should not be included in any preliminary prospectus distributed to prospective investors prior to our review.

3. Please provide the dealer prospectus delivery obligation disclosure required by Item 502(b) of Regulation S-K.

Prospectus Cover Page

4. We refer to your statement on page 4 that your directors may have significant influence in determining the outcome of any change of control transaction. Please include an affirmative statement, if true, that you have no present plans to be acquired or to merge with another company, nor does the Company, nor any of its shareholders, have plans to enter into a change of control or similar transaction.
5. Please limit your cover page to one page as required by Item 501(b) of Regulation S-K.

Risk Factors, page 7

6. Please include a risk factor to discuss, if true, that Ms. Shmarihina and Mr. Averchenko have no experience running a public company.
7. It appears from the disclosure in the registration statement that Ms. Shmarihina and Mr. Averchenko, your sole officers and directors, are residents of Russia. Please provide a risk factor pertaining to the difficulty U.S. stockholders would face in effecting service of process against these individuals. This risk factor should address the risk U.S. stockholders face in:
 - effecting service of process within the United States on Ms. Shmarihina and Mr. Averchenko;
 - enforcing judgments obtained in U.S. courts based on the civil liability provisions of the U.S. federal securities laws against Ms. Shmarihina and Mr. Averchenko;
 - enforcing judgments of U.S. courts based on civil liability provisions of the U.S. federal securities laws in foreign courts against Ms. Shmarihina and Mr. Averchenko; and
 - bringing an original action in foreign courts to enforce liabilities based on the U.S. federal securities laws against Ms. Shmarihina and Mr. Averchenko.

Alternatively, advise us as to why you believe such a risk factor is unnecessary.
