**Re: Clutterbug Move Management, Inc.
Amendment No. 4 to Registration Statement on Form S-1
Filed October 2, 2013
File No. 333-187248**

Dear Ms. Young:

We have reviewed your registration statement and have the following comment. Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comment applies to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to this comment, we may have additional comments.

General

1. As noted previously in comment 1 of our comment letter dated July 5, 2013, the sale of the company's shares by the selling shareholders at market prices is unavailable because Rule 415(a)(1)(i) is not available for this transaction and you are not eligible to conduct an at the market offering under Rule 415(a)(4). This is because the selling shareholders are considered underwriters selling on behalf of the company in an indirect primary offering. Therefore, the offering price of the shares being sold must be fixed for the duration of the offering. Please revise your disclosure throughout the prospectus that states otherwise. Specifically, delete your statements, "...until our common stock is quoted on the OTCBB at which time the shares may be sold at prevailing market prices or privately negotiated prices" under footnote 2 of the registration fee table on page ii, and, "...until our common stock is quoted on the OTC Bulletin Board, and thereafter at prevailing market prices or privately negotiated prices or in transactions that are not in the public market" under subsection "The Offering" of the prospectus summary on page 4. For further guidance, please refer to our comment letter dated July 5, 2013.
